Summary Classification Report

Yolo General Hospital - Staff Nurse I

Background

At the request of the hospital, a review was made of a request to reclassify a vacant position of Staff Nurse I to Licensed Vocational Nurse.

Findings and Analysis

As of November 1, 1977, the hospital had six Staff Nurse I position vacancies. At the present time, the hospital clinic has allocated two Staff Nurse I positions to provide coverage for the clinic. One of these positions is presently vacant.

The hospital has always experienced a high outpatient workload in its clinic. Along with the increase in the number of patient visits at the outpatient clinic, the hospital feels that the current Staff Nurse I vacancy has caused insufficient nursing care to a point where an alternate solution needs to be found.

In order to maintain their standards of nursing care, the hospital wishes to reclassify the vacant Staff Nurse I position to Licensed Vocational Nurse. This would result in a salary savings of \$3,156 per year while still maintaining adequate nursing standards.

Recommendation

It is recommended that one vacant Staff Nurse I position (Range 23) be reclassified to Licensed Vocational Nurse (Range 16.75).

The applicant is proposing to create two 75' by 100' lots on the northwest corner of the intersection of Orleans and Grafton Streets in the Town of Esparto, in order to create two standard sized lots in a residential neighborhood. The adjoining parcel, which contains the applicant's residence is to retain its original configuration of 50' X 100'. Based upon the fact that two standard lots are to be created from two non-conforming lots, this proposal appears to meet the requirements for submission of a Negative Declaration, based upon the following:

1. No increase in density is proposed;
2. Two standard shaped lots are to be created from two non-conforming parcels;
3. The applicant's adjoining parcel is to retain its original land use.

1 RESOLUTION NO. 77-172

2 (Resolution of Acceptance for Parcel Map No. 2715 for
3 Port Sacramento Industrial Park)

4 WHEREAS, the final tracing for Parcel Map No. 2715 has been
5 prepared and presented to the Board of Supervisors for approval;
6 and

7 WHEREAS, the Yolo County Planning Commission has considered
8 and approved an Environmental Impact Report filed previously,
9 which covered the eventual development of this project and
10 surrounding property, with a finding that the proposed project
11 will have a significant effect upon the environment, and said
12 Environmental Impact Report has been presented to and considered
13 by this Board; and

14 WHEREAS, the tentative map for Parcel Map No. 2715 has been
15 approved by said Planning Commission; and

16 WHEREAS, said map contemplates creation of three parcels in
17 the Heavy Industrial (M-2) Zone, of the Yolo County General Plan;
18 and

19 WHEREAS, the final tracing of said Parcel Map has been signed
20 by all necessary parties, pursuant to the provisions of the
21 Government Code of the State of California; and

22 WHEREAS, said map in all respects complies with the provisions
23 of the State Subdivision Map Act and of the Local Ordinances.

24 NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors
25 of the County of Yolo as follows: (1) This Board, after
26 consideration of the Environmental Impact Report filed upon the
27 proposed project, hereby adopts and approves the final Environ-
28 mental Impact Report, and finds that said final EIR has been
29 completed in compliance with the California Environmental Quality
30 Act and State Guidelines, and finds that the proposed project will
31 have a significant effect upon the environment. This land
32 division is part of a larger development zoned M-2 and could

1 significantly increase the demand on the existing facilities
2 within the project area, resulting in a significant effect on the
3 environment. However, the Board hereby finds that the following
4 factors warrant approval of the project notwithstanding said
5 significant effect:

6 The land to be used for this land division is currently
7 designated for industrial uses on the Yolo County General Plan,
8 and is zoned consistently therewith. The land division creates
9 three parcels from an existing two parcels in order to utilize
10 the area in a more economical manner. Failure to use land for
11 its designated purpose will result in increased pressures to
12 develop land designated for agricultural purposes in the area.

13 The Environmental Impact Report on said project identifies
14 several mitigation measures, which are hereby found by this Board
15 to be appropriate and feasible, and ordered by this Board to be
16 incorporated into said project; (2) This Board hereby finds that
17 the proposed subdivision, together with the provisions for its
18 design and improvements, is consistent with general plan adopted
19 for the County of Yolo. (3) This Board hereby approves Parcel
20 Map No. 2715 as submitted, and instructs the Clerk to prepare the
21 map for transmittal to the County Recorder for filing.

22 BE IT FURTHER RESOLVED that the Clerk of this Board hereby is
23 authorized and directed to file a Notice of Determination upon the
24 proposed project; said notice shall include the decision of this
25 Board to approve the project, and the finding of this Board that
26 the proposed project will have a significant effect upon the
27 environment. Said notice also shall include the statement of
28 overriding consideration set forth hereinabove, and the mitigation
29 measures incorporated into the project, as stated hereinabove.
30 Said notice also shall include the statement that the Environmental
31 Impact Report considered and approved by this Board has been prepared
32 pursuant to and is consistent with the provisions of the California
Environmental Quality Act and State Guidelines adopted pursuant thereto.

3 has given notice in the manner required by law, and the procedural
4 rules adopted by this Board; and

5 WHEREAS, at the time and place set forth in the said notice
6 a public hearing was held by this Board of Supervisors; and

7 WHEREAS, the owners of real property set forth in said
8 Exhibit "A" have offered to enter into Land Use Contracts of
9 even date with this Resolution and making reference hereto, as
10 authorized by said Conservation Act, which Contracts impose en-
11 forceable restrictions on the therein described real property
12 which is located in said Agricultural Preserve and known as the
13 Assessor's Parcels as set forth in said Exhibit "A"; and

14 WHEREAS, the Board of Supervisors has heard and considered
15 discussion on the restrictions, terms and conditions of the Con-
16 tracts; and

17 WHEREAS, in the judgment of this Board of Supervisors, it
18 is in the interest of the County of Yolo to do so.

19 NOW, THEREFORE, BE IT RESOLVED, ORDERED, AND FOUND by the
20 Board of Supervisors of the County of Yolo as follows:

- 21 1. Each of the foregoing recitals is true and correct.
- 22 2. The action taken by this Resolution is in conformance
23 with the Yolo County General Plan.
- 24 3. The agricultural preserve which includes the territory
25 described in said Exhibit "A" consists of no less than
26 160 acres.
- 27 4. The territory described in said Exhibit "A"
 - 28 (a) is designated for agricultural use in the Yolo
29 County General Plan;
 - 30 (b) does not include any parcel less than twenty (20)
31 acres in area;
 - 32 (c) is predominantly Class I, II, or III soils, or

1 satisfies the purpose of the agricultural
2 preserve in the following ways:

- 3 (1) tends to maintain the agricultural economy; and
4 (2) tends to prevent premature or unnecessary
5 conversion from agriculture; and
6 (3) tends to assist in the preservation of prime
7 lands; and
8 (4) to preserve lands with public value as
9 open space.

10 5. Said Agricultural Preserves are hereby declared
11 established or enlarged to include the territory
12 described in said Exhibit "A", for the purpose of
13 defining the boundaries of those areas within which
14 the County of Yolo is willing to enter into land use
15 contracts pursuant to the Land Conservation Act of
16 1965.

17 6. A map of such agricultural preserves is attached hereto
18 marked Exhibit "B" which is incorporated by reference.

19 7. The terms and conditions upon which the County of Yolo
20 is willing to enter into land use contracts are as
21 follows:

22 FIRST: DECLARATION. This Land Use Contract is made
23 and entered into pursuant to the California Land Con-
24 servation Act of 1965 as amended (Chapter 7 of Part 1
25 of Division 1 of Title 5 of the Government Code of
26 California commencing with §51200), hereinafter
27 referred to as "the Act", including Article 3 of said
28 Act entitled "Contracts" and is subject to all of the
29 provisions thereof pertaining to contracts. It is the
30 intent of the parties that the restrictions imposed upon
31 the subject property by this Contract shall constit-
32 ute those which may be imposed upon property by Con-

1 tract under the aforementioned Act. The execution and
2 recordation of this Contract shall in no way restrict
3 COUNTY or OWNER from utilizing or benefiting from fu-
4 ture conservation or agricultural legislation enacted
5 by the California Legislature. Should COUNTY agree
6 to any provision in any other Contract under the
7 Land Conservation Act which provision is not included
8 herein and OWNER requests the inclusion of such pro-
9 vision in this Contract, such provision shall be deemed
10 added to this Contract upon written request of OWNER
11 to COUNTY and any other provision hereof inconsistent
12 with said provision shall be deemed to be of no force
13 and effect to the extent of such inconsistency.

14 SECOND: RESTRICTIONS. During the term of this Con-
15 tract and any and all renewals thereof, the subject
16 property shall not be used for any purpose other than
17 agricultural use and the uses determined by COUNTY
18 pursuant to Government Code §51231 or §51238 or by
19 the Land Conservation Act of 1965 as amended to be
20 compatible with the agricultural use of land within
21 this preserve and subject to contract. No structures
22 shall be erected upon subject property except such
23 structures as may be directly related to authorized
24 uses of the land. The parties, through appropriate
25 action by COUNTY'S Board of Supervisors in accordance
26 with the Act and its rules adopted thereunder, and
27 written consent of OWNER, may from time to time during
28 the term of this Contract and renewals thereof add to
29 to and/or delete from said permissible uses of the
30 subject property. If any use otherwise permissible
31 hereunder is not permissible under any planning or
32 zoning restrictions now or hereafter applicable to any

1 of the property then it shall likewise be deemed not
2 legally available to OWNER by the provisions of this
3 Contract and if any use is permissible under any such
4 planning or zoning provision but is not determined as
5 set forth above to be compatible with the agricultural
6 use of land within this preserve and subject to con-
7 tract, then it shall not be deemed legally available
8 to OWNER hereunder.

9 THIRD: EMINENT DOMAIN. When any action in eminent
10 domain for the condemnation of the fee title of an
11 entire parcel of land subject to a contract is filed
12 or when such land is acquired in lieu of eminent do-
13 main for a public improvement by a public agency or
14 a person or whenever there is any such action or
15 acquisition by the Federal government or any person,
16 instrumentality, or agency acting under authority or
17 power of the Federal government, such contract shall
18 be deemed null and void as to the land actually being
19 condemned or so acquired as of the date the action is
20 filed, and for the purposes of establishing value
21 of such land the contract shall be deemed never to
22 have existed.

23 Whenever such an action to condemn or acquire
24 less than all of a parcel of land subject to a con-
25 tract is commenced, the contract shall be deemed null
26 and void as to the land actually condemned or acquired
27 and shall be disregarded in the valuation process only
28 as to the land actually being taken, unless the
29 remaining land subject to contract will be adversely
30 affected by the condemnation, in which case the value
31 of that damage shall be computed without regard to
32 the contract.

1 The contract shall be null and void for all
2 land actually taken or acquired; provided, however,
3 that should any such action be dismissed, or should
4 any interest be conveyed for non-public use, the
5 contract shall be reinstated as of the date the action
6 is dismissed or the conveyance is recorded.

7 FOURTH: TERM AND RENEWAL. The initial term of the
8 Contract shall be for ten (10) years, commencing as
9 of the first day of March next succeeding the date
10 of approval of the Contract by the Board of Supervisors
11 of the County of Yolo, and shall terminate on the last
12 day of February of the tenth (10th) year thereafter.
13 The first day of March shall be deemed to be the "anniversary date" of the Contract, and on the anniversary
14 date of the Contract a year shall be automatically
15 added to the term unless notice of non-renewal is given
16 as herein provided. If either OWNER or COUNTY desires
17 in any year not to renew the Contract, that party
18 shall serve written notice of non-renewal of the Contract upon the other party in advance of the anniversary
19 date. Unless such written notice is served by OWNER
20 at least ninety (90) days prior to the anniversary
21 date or by COUNTY at least sixty (60) days prior to
22 renewal date, the Contract shall be considered renewed
23 as provided above. At any time prior to the anniversary
24 date either party may in writing withdraw its notice of
25 non-renewal. Upon request by the OWNER, the Board of
26 Supervisors may authorize OWNER to serve notice of
27 non-renewal on a portion of the land under contract.
28 FIFTH: NO PUBLIC FUNDS. The OWNER understands that
29 he is not entitled to any public funds by reason of
30 the execution of the Contract or any renewal thereof
31
32

1 although the use of the subject property is limited
2 as aforesaid.

3 SIXTH: TERMINATION. Subject to the procedural condi-
4 tions contained herein, OWNER may elect to terminate
5 the Contract without penalty when one of the following
6 circumstances is found to exist:

7 (a) The laws of California cease to implement Article
8 XXVIII of the State Constitution in a manner pro-
9 viding benefits and restrictions substantially
10 similar to those embodied in Article 1.5 (com-
11 mencing with §421) of Chapter 3 of Part 2 of
12 Division 1 of the Revenue and Taxation Code. To
13 be substantially similar, it is hereby agreed that
14 said implementing measures must include provisions
15 for a land valuation system basing value of the
16 land on those uses legally available to OWNER as
17 the basis for assessment, and must not require
18 that OWNER permit entry of the public on subject
19 property.

20 (b) Future conservation or agricultural legislation
21 achieving a substantially similar public benefit
22 is enacted by the California Legislature and is
23 applied to subject property.

24 (c) The real property tax is abolished as a source
25 of revenue.

26 The following procedures shall be followed to elect
27 the termination of the Contract:

28 (a) Written notice of the election to terminate the
29 Contract shall be given the Board of Supervisors
30 of Yolo County by OWNER.

31 (b) The Board of Supervisors shall have thirty (30)
32 calendar days to review the proposal and the

1 information submitted in support thereof.

2 (c) If the Board does not act within said thirty (30)
3 days to set a hearing within an additional thirty
4 (30) days, it shall affect the termination by
5 recording a notice of termination with the County
6 Recorder and filing a copy thereof with the State
7 Department of Agriculture. If the Board so sets
8 a hearing, it shall give notice to OWNER and shall
9 consider the election to terminate in the same
10 manner as it would a request for cancellation as
11 provided in Section SEVENTH of the Contract.

12 SEVENTH: CANCELLATION. The Contract may not be
13 cancelled in whole or in part except pursuant to a
14 request by OWNER as provided herein.

15 (a) The Board of Supervisors of COUNTY may approve
16 the cancellation of the Contract only if it finds
17 that cancellation is not inconsistent with the
18 purposes of the California Land Conservation Act
19 and is in the public interest. The existence of
20 an opportunity for another use of the land in-
21 volved shall not be sufficient reason for the
22 cancellation of the Contract. A potential alter-
23 native use of the land may be considered only if
24 there is no proximate land not subject to a Land
25 Use Contract pursuant to the Williamson Act suit-
26 able for the use to which it is proposed the
27 subject property be put. The uneconomic character
28 of an existing agricultural use shall likewise
29 not be sufficient reason for cancellation of the
30 Contract. The uneconomic character of an existing
31 use may be considered only if there is no other
32 reasonable or comparable agricultural use to which

1 the land may be put.

2 (b) Prior to any action by the Board of Supervisors
3 giving tentative approval to the cancellation of
4 any contract, the County Assessor shall determine
5 the full cash value of the land as though it were
6 free of contractual restriction. The Assessor
7 shall multiply such value by the most recent County
8 ratio announced pursuant to §401 of the Revenue
9 and Taxation Code and shall certify the product
10 to the Board of Supervisors as the cancellation
11 valuation for the purpose of determining the can-
12 cellation fee.

13 (c) Prior to giving tentative approval to the cancella-
14 tion of the Contract, the Board of Supervisors
15 shall determine and certify to the County Auditor
16 the amount of the cancellation fee which OWNER
17 must pay to the County Treasurer as deferred
18 taxes upon cancellation. That fee shall be an
19 amount equal to 50% of the cancellation valuation
20 of the property; provided, however, if after the
21 date the contract was initially entered into, the
22 publicly announced County ratio of assessed value
23 to full cash value is changed, the percentage
24 payment in this subdivision shall be changed so no
25 greater percentage of full cash value will be paid
26 than would have been paid had there been no change
27 in ratio.

28 (d) If the Board of Supervisors finds that it is in
29 the public interest to do so, it may waive any
30 such payment or any portion thereof, or may make
31 such payment or a portion thereof contingent upon
32 the future use of the land and its economic re-

1 turn to OWNER for a period of time not to exceed
2 the unexpired term of the Contract had it not been
3 cancelled provided:

- 4 1) The cancellation is caused by an involuntary
5 transfer or change in the use which may be
6 made of the land, and the land is not immedi-
7 ately suitable, nor will be immediately used,
8 for a purpose which produces a greater econ-
9 omic return to OWNER; and
- 10 2) The Board of Supervisors has determined it is
11 in the best interest of the program to conserve
12 agricultural land use that such payment be
13 either deferred or not required.

14 (e) When the deferred taxes required by this section
15 are collected, the County Treasurer shall distri-
16 bute the taxes in accordance with the provisions
17 of Government Code §51283(d).

18 (f) Upon tentative approval of the cancellation peti-
19 tion, the Clerk of the Board of Supervisors shall
20 record in the Office of the County Recorder a
21 certification which shall set forth the name of
22 the owner of such land at the time the Contract
23 was cancelled with the amount of the cancellation
24 fee certified by the Board of Supervisors as being
25 due pursuant to this section, the contingency of
26 any waiver or deferment of payments, and a legal
27 description of the property. From the date of
28 recording of such certificate the Contract shall
29 be finally cancelled and, to the extent the can-
30 cellation fee has not yet been paid, a lien shall
31 be created and attached against the real property
32 described therein and any other real property owned

1 by the person named therein as the owner and
2 located within the County of Yolo. Such lien
3 shall have the force, effect, and priority of a
4 judgment lien. Nothing in this section shall
5 preclude the Board of Supervisors from requiring
6 payment in full of the cancellation fee prior to
7 the cancellation becoming effective.

8 (g) In no case shall the cancellation of a Contract
9 be final until the notice of cancellation is actu-
10 ally recorded as provided herein. Notwithstanding
11 any provisions of the Revenue & Taxation Code
12 any payments required by this section shall not
13 create nor impose a lien or charge on the land as
14 to which a contract is cancelled except as herein
15 provided.

16 (h) Upon the payment of the cancellation fee or any
17 portion thereof, the Clerk of the Board of Super-
18 visors shall record with the County Recorder a
19 written certificate of the release in whole or
20 in part of the lien.

21 (i) No tentative approval of cancellation may be
22 given until after the Board of Supervisors has
23 caused notice to be given of and has held a public
24 hearing on the matter. Notice of hearing shall
25 be mailed to each and every owner of property
26 under contract within this agricultural preserve
27 and shall be published pursuant to §6061 of the
28 Government Code. The owner of any property lo-
29 cated in the County of Yolo may protest such can-
30 cellation; however, such protest shall be advisory
31 only and shall not be binding upon the Board of
32 Supervisors.

1 EIGHTH: DIVISION OF SUBJECT PROPERTY. In the event
2 the subject property of the Contract is divided, a
3 Contract identical to the Contract then covering the
4 original parcel shall be executed by OWNER on each
5 parcel created by the division at the time of the
6 division. Any agency making an order of division or
7 COUNTY which has jurisdiction shall require, as a
8 condition of approval of the division, the execution

5 by the California Legislature. Should COUNTY agree
6 to any provision in any other Contract under the
7 Land Conservation Act which provision is not included
8 herein and OWNER requests the inclusion of such pro-
9 vision in this Contract, such provision shall be deemed
10 added to this Contract upon written request of OWNER
11 to COUNTY and any other provision hereof inconsistent
12 with said provision shall be deemed to be of no force
13 and effect to the extent of such inconsistency.

14 SECOND: RESTRICTIONS. During the term of this Con-
15 tract and any and all renewals thereof, the subject
16 property shall not be used for any purpose other than
17 agricultural use and the uses determined by COUNTY
18 pursuant to Government Code §51231 or §51238 or by
19 the Land Conservation Act of 1965 as amended to be
20 compatible with the agricultural use of land within
21 this preserve and subject to contract. No structures
22 shall be erected upon subject property except such
23 structures as may be directly related to authorized
24 uses of the land. The parties, through appropriate
25 action by COUNTY'S Board of Supervisors in accordance
26 with the Act and its rules adopted thereunder, and
27 written consent of OWNER, may from time to time during
28 the term of this Contract and renewals thereof add to
29 to and/or delete from said permissible uses of the
30 subject property. If any use otherwise permissible
31 hereunder is not permissible under any planning or
32 zoning restrictions now or hereafter applicable to any

1 of the property then it shall likewise be deemed not
2 legally available to OWNER by the provisions of this
3 Contract and if any use is permissible under any such
4 planning or zoning provision but is not determined as
5 set forth above to be compatible with the agricultural
6 use of land within this preserve and subject to con-
7 tract, then it shall not be deemed legally available
8 to OWNER hereunder.

9 THIRD: EMINENT DOMAIN. When any action in eminent
10 domain for the condemnation of the fee title of an
11 entire parcel of land subject to a contract is filed
12 or when such land is acquired in lieu of eminent do-
13 main for a public improvement by a public agency or
14 a person or whenever there is any such action or
15 acquisition by the Federal government or any person,
16 instrumentality, or agency acting under authority or
17 power of the Federal government, such contract shall
18 be deemed null and void as to the land actually being
19 condemned or so acquired as of the date the action is
20 filed, and for the purposes of establishing value
21 of such land the contract shall be deemed never to
22 have existed.

23 Whenever such an action to condemn or acquire
24 less than all of a parcel of land subject to a con-
25 tract is commenced, the contract shall be deemed null
26 and void as to the land actually condemned or acquired
27 and shall be disregarded in the valuation process only
28 as to the land actually being taken, unless the
29 remaining land subject to contract will be adversely
30 affected by the condemnation, in which case the value
31 of that damage shall be computed without regard to
32 the contract.

1 The contract shall be null and void for all
2 land actually taken or acquired; provided, however,
3 that should any such action be dismissed, or should
4 any interest be conveyed for non-public use, the
5 contract shall be reinstated as of the date the action
6 is dismissed or the conveyance is recorded.

7 FOURTH: TERM AND RENEWAL. The initial term of the
8 Contract shall be for ten (10) years, commencing as
9 of the first day of March next succeeding the date
10 of approval of the Contract by the Board of Supervisors
11 of the County of Yolo, and shall terminate on the last
12 day of February of the tenth (10th) year thereafter.
13 The first day of March shall be deemed to be the "anniv-
14 ersary date" of the Contract, and on the anniversary
15 date of the Contract a year shall be automatically
16 added to the term unless notice of non-renewal is given
17 as herein provided. If either OWNER or COUNTY desires
18 in any year not to renew the Contract, that party
19 shall serve written notice of non-renewal of the Con-
20 tract upon the other party in advance of the anniversary
21 date. Unless such written notice is served by OWNER
22 at least ninety (90) days prior to the anniversary
23 date or by COUNTY at least sixty (60) days prior to
24 renewal date, the Contract shall be considered renewed
25 as provided above. At any time prior to the anniversary
26 date either party may in writing withdraw its notice of
27 non-renewal. Upon request by the OWNER, the Board of
28 Supervisors may authorize OWNER to serve notice of
29 non-renewal on a portion of the land under contract.
30 FIFTH: NO PUBLIC FUNDS. The OWNER understands that
31 he is not entitled to any public funds by reason of
32 the execution of the Contract or any renewal thereof

1 although the use of the subject property is limited
2 as aforesaid.

3 SIXTH: TERMINATION. Subject to the procedural condi-
4 tions contained herein, OWNER may elect to terminate
5 the Contract without penalty when one of the following
6 circumstances is found to exist:

7 (a) The laws of California cease to implement Article
8 XXVIII of the State Constitution in a manner pro-
9 viding benefits and restrictions substantially
10 similar to those embodied in Article 1.5 (com-
11 mencing with §421) of Chapter 3 of Part 2 of
12 Division 1 of the Revenue and Taxation Code. To
13 be substantially similar, it is hereby agreed that
14 said implementing measures must include provisions
15 for a land valuation system basing value of the
16 land on those uses legally available to OWNER as
17 the basis for assessment, and must not require
18 that OWNER permit entry of the public on subject
19 property.

20 (b) Future conservation or agricultural legislation
21 achieving a substantially similar public benefit
22 is enacted by the California Legislature and is
23 applied to subject property.

24 (c) The real property tax is abolished as a source
25 of revenue.

26 The following procedures shall be followed to elect
27 the termination of the Contract:

28 (a) Written notice of the election to terminate the
29 Contract shall be given the Board of Supervisors
30 of Yolo County by OWNER.

31 (b) The Board of Supervisors shall have thirty (30)
32 calendar days to review the proposal and the

1 information submitted in support thereof.

- 2 (c) If the Board does not act within said thirty, (30)
3 days to set a hearing within an additional thirty
4 (30) days, it shall affect the termination by
5 recording a notice of termination with the County
6 Recorder and filing a copy thereof with the State
7 Department of Agriculture. If the Board so sets
8 a hearing, it shall give notice to OWNER and shall
9 consider the election to terminate in the same
10 manner as it would a request for cancellation as
11 provided in Section SEVENTH of the Contract.

12 SEVENTH: CANCELLATION. The Contract may not be
13 cancelled in whole or in part except pursuant to a
14 request by OWNER as provided herein.

- 15 (a) The Board of Supervisors of COUNTY may approve
16 the cancellation of the Contract only if it finds
17 that cancellation is not inconsistent with the
18 purposes of the California Land Conservation Act
19 and is in the public interest. The existence of
20 an opportunity for another use of the land in-
21 volved shall not be sufficient reason for the
22 cancellation of the Contract. A potential alter-
23 native use of the land may be considered only if
24 there is no proximate land not subject to a Land
25 Use Contract pursuant to the Williamson Act suit-
26 able for the use to which it is proposed the
27 subject property be put. The uneconomic character
28 of an existing agricultural use shall likewise
29 not be sufficient reason for cancellation of the
30 Contract. The uneconomic character of an existing
31 use may be considered only if there is no other
32 reasonable or comparable agricultural use to which

the land may be put.

(b) Prior to any action by the Board of Supervisors giving tentative approval to the cancellation of any contract, the County Assessor shall determine the full cash value of the land as though it were free of contractual restriction. The Assessor shall multiply such value by the most recent County ratio announced pursuant to §401 of the Revenue and Taxation Code and shall certify the product to the Board of Supervisors as the cancellation valuation for the purpose of determining the cancellation fee.

(c) Prior to giving tentative approval to the cancellation of the Contract, the Board of Supervisors shall determine and certify to the County Auditor the amount of the cancellation fee which OWNER must pay to the County Treasurer as deferred taxes upon cancellation. That fee shall be an amount equal to 50% of the cancellation valuation of the property; provided, however, if after the date the contract was initially entered into, the publicly announced County ratio of assessed value to full cash value is changed, the percentage payment in this subdivision shall be changed so no greater percentage of full cash value will be paid than would have been paid had there been no change in ratio.

(d) If the Board of Supervisors finds that it is in the public interest to do so, it may waive any such payment or any portion thereof, or may make such payment or a portion thereof contingent upon the future use of the land and its economic re-

1 turn to OWNER for a period of time not to exceed
2 the unexpired term of the Contract had it not been
3 cancelled provided:

- 4 1) The cancellation is caused by an involuntary
5 transfer or change in the use which may be
6 made of the land, and the land is not immedi-
7 ately suitable, nor will be immediately used,
8 for a purpose which produces a greater econ-
9 omic return to OWNER; and
- 10 2) The Board of Supervisors has determined it is
11 in the best interest of the program to conserve
12 agricultural land use that such payment be
13 either deferred or not required.

14 (e) When the deferred taxes required by this section
15 are collected, the County Treasurer shall distri-
16 bute the taxes in accordance with the provisions
17 of Government Code §51283(d).

18 (f) Upon tentative approval of the cancellation peti-
19 tion, the Clerk of the Board of Supervisors shall
20 record in the Office of the County Recorder a
21 certification which shall set forth the name of
22 the owner of such land at the time the Contract
23 was cancelled with the amount of the cancellation
24 fee certified by the Board of Supervisors as being
25 due pursuant to this section, the contingency of
26 any waiver or deferment of payments, and a legal
27 description of the property. From the date of
28 recording of such certificate the Contract shall
29 be finally cancelled and, to the extent the can-
30 cellation fee has not yet been paid, a lien shall
31 be created and attached against the real property
32 described therein and any other real property owned

- 1 by the person named therein as the owner and
2 located within the County of Yolo. Such lien
3 shall have the force, effect, and priority of a
4 judgment lien. Nothing in this section shall
5 preclude the Board of Supervisors from requiring
6 payment in full of the cancellation fee prior to
7 the cancellation becoming effective.
- 8 (g) In no case shall the cancellation of a Contract
9 be final until the notice of cancellation is actu-
10 ally recorded as provided herein. Notwithstanding
11 any provisions of the Revenue & Taxation Code
12 any payments required by this section shall not
13 create nor impose a lien or charge on the land as
14 to which a contract is cancelled except as herein
15 provided.
- 16 (h) Upon the payment of the cancellation fee or any
17 portion thereof, the Clerk of the Board of Super-
18 visors shall record with the County Recorder a
19 written certificate of the release in whole or
20 in part of the lien.
- 21 (i) No tentative approval of cancellation may be
22 given until after the Board of Supervisors has
23 caused notice to be given of and has held a public
24 hearing on the matter. Notice of hearing shall
25 be mailed to each and every owner of property
26 under contract within this agricultural preserve
27 and shall be published pursuant to §6061 of the
28 Government Code. The owner of any property lo-
29 cated in the County of Yolo may protest such can-
30 cellation; however, such protest shall be advisory
31 only and shall not be binding upon the Board of
32 Supervisors.

1 EIGHTH: DIVISION OF SUBJECT PROPERTY. In the event
2 the subject property of the Contract is divided, a
3 Contract identical to the Contract then covering the
4 original parcel shall be executed by OWNER on each
5 parcel created by the division at the time of the
6 division. Any agency making an order of division or
7 COUNTY which has jurisdiction shall require, as a
8 condition of approval of the division, the execution
9 of the Contracts provided for in this paragraph.

10 NINTH: EXCLUSION OF LAND FROM PRESERVE. Removal of
11 any land under the Contract from an agricultural pre-
12 serve either by change of boundaries of the preserve or
13 disestablishment of the preserve shall be the equival-
14 ent of a notice of non-renewal by COUNTY.

15 TENTH: SUCCESSORS IN INTEREST. The Contract shall
16 run with the land described in it and shall be binding
17 upon the heirs, successors, and assigns of the OWNER
18 and COUNTY.

- 19 8. The uses determined by COUNTY to be agricultural uses
20 and uses compatible with the agricultural use of the
21 land within the preserve and subject to contract are
22 as follows:

23 A. Agricultural Uses:

- 24 1. Agriculture, including any customary
25 agricultural buildings and structures and

20 premises and relatives of the property owner
21 or lessee; but not including labor camps.
22 7. Mobile homes may be used as living quarters

24 cultural use, provided that there may not be

RESOLUTION NO. 78- 14

(Resolution Establishing and/or Enlarging an
Agricultural Preserve, finding Land to be In-
cluded in Contracts Not to Lie Within One Mile
of City, and Authorizing Execution of Land Use
Contracts)

5 WHEREAS, it is the policy of the County of Yolo to mai-
6 tain its agricultural economy and prevent unnecessary and pre-
7 mature conversion of land in agricultural use by utilizing the
8 California Land Conservation Act of 1965; and

9 WHEREAS, the Board of Supervisors finds it can best
10 achieve the County's policy by establishing agricultural preserves
11 and by signing and becoming a party to Land Use Contracts as
12 authorized by said Act; and

13 WHEREAS, an application has been filed with the Planning
14 Department of the County of Yolo requesting to establish or
15 enlarge the Agricultural Preserve set forth in Attachment No. 1
16 attached hereto which is incorporated by reference herein so as
17 to include the territory described in Exhibit "A" attached hereto
18 which is incorporated by reference herein; and

19 WHEREAS, said application contains the matter required by
20 law and the procedural rules established by this Board of
21 Supervisors; and

22 WHEREAS, the Planning Department has filed with this
23 Board of Supervisors its report upon the application as to the
24 conformance with the Yolo County General Plan and as to the
25 satisfaction of the conditions for establishment or enlargement
26 of an agricultural preserve; and

27 WHEREAS, the Planning Commission has held a public hearing
28 upon the application after giving notice in the manner required
29 by the procedural rules established by this Board; and

30 WHEREAS, at the conclusion of the hearing, the Planning
31 Commission, by resolution, made its recommendation upon the
32 application; and

1 WHEREAS, the Planning Commission resolution has been
2 filed with the Clerk of this Board and the Clerk of this Board
3 has given notice in the manner required by law, and the procedural
4 rules adopted by this Board; and

5 WHEREAS, at the time and place set forth in the said notice
6 a public hearing was held by this Board of Supervisors; and

7 WHEREAS, the owners of real property set forth in said
8 Exhibit "7" have offered to enter into Land Use Contracts of
9 even date with this Resolution and making reference hereto, as
10 authorized by said Conservation Act, which Contracts impose en-
11 forceable restrictions on the therein described real property
12 which is located in said Agricultural Preserve and known as the
13 Assessor's Parcels as set forth in said Exhibit "A"; and

14 WHEREAS, the Board of Supervisors has heard and considered
15 discussion on the restrictions, terms and conditions of the Con-
16 tracts; and

17 WHEREAS, in the judgment of this Board of Supervisors, it
18 is in the interest of the County of Yolo to do so.

19 NOW, THEREFORE, BE IT RESOLVED, ORDERED, AND FOUND by the
20 Board of Supervisors of the County of Yolo as follows:

- 21 1. Each of the foregoing recitals is true and correct.
- 22 2. The action taken by this Resolution is in conformance
23 with the Yolo County General Plan.
- 24 3. The agricultural preserve which includes the territory
25 described in said Exhibit "A" consists of no less than
26 160 acres.
- 27 4. The territory described in said Exhibit "A"
 - 28 (a) is designated for agricultural use in the Yolo
29 County General Plan;
 - 30 (b) does not include any parcel less than twenty (20)
31 acres in area;
 - 32 (c) is predominantly Class I, II, or III soils, or

1 satisfies the purpose of the agricultural
2 preserve in the following ways:

- 3 (1) tends to maintain the agricultural economy; and
4 (2) tends to prevent premature or unnecessary
5 conversion from agriculture; and
6 (3) tends to assist in the preservation of prime
7 lands; and
8 (4) to preserve lands with public value as
9 open space.

- 10 5. Said Agricultural Preserves are hereby declared
11 established or enlarged to include the territory
12 described in said Exhibit "A", for the purpose of
13 defining the boundaries of those areas within which
14 the County of Yolo is willing to enter into land use
15 contracts pursuant to the Land Conservation Act of
16 1965.
17 6. A map of such agricultural preserves is attached hereto
18 marked Exhibit "B" which is incorporated by reference.
19 7. The terms and conditions upon which the County of Yolo
20 is willing to enter into land use contracts are as
21 follows:

22 FIRST: DECLARATION. This Land Use Contract is made
23 and entered into pursuant to the California Land Con-
24 servation Act of 1965 as amended (Chapter 7 of Part 1
25 of Division 1 of Title 5 of the Government Code of
26 California commencing with §51200), hereinafter
27 referred to as "the Act", including Article 3 of said
28 Act entitled "Contracts" and is subject to all of the
29 provisions thereof pertaining to contracts. It is the
30 intent of the parties that the restrictions imposed upon
31 the subject property by this Contract shall consti-
32 ute those which may be imposed upon property by Con-

1 tract under the aforementioned Act. The execution and
2 recordation of this Contract shall in no way restrict
3 COUNTY or OWNER from utilizing or benefiting from fu-
4 ture conservation or agricultural legislation enacted
5 by the California Legislature. Should COUNTY agree
6 to any provision in any other Contract under the
7 Land Conservation Act which provision is not included
8 herein and OWNER requests the inclusion of such pro-
9 vision in this Contract, such provision shall be deemed
10 added to this Contract upon written request of OWNER
11 to COUNTY and any other provision hereof inconsistent
12 with said provision shall be deemed to be of no force
13 and effect to the extent of such inconsistency.

14 SECOND: RESTRICTIONS. During the term of this Con-
15 tract and any and all renewals thereof, the subject
16 property shall not be used for any purpose other than
17 agricultural use and the uses determined by COUNTY
18 pursuant to Government Code §51231 or §51238 or by
19 the Land Conservation Act of 1965 as amended to be
20 compatible with the agricultural use of land within
21 this preserve and subject to contract. No structures
22 shall be erected upon subject property except such
23 structures as may be directly related to authorized
24 uses of the land. The parties, through appropriate
25 action by COUNTY'S Board of Supervisors in accordance
26 with the Act and its rules adopted thereunder, and
27 written consent of OWNER, may from time to time during
28 the term of this Contract and renewals thereof add to
29 to and/or delete from said permissible uses of the
30 subject property. If any use otherwise permissible
31 hereunder is not permissible under any planning or
32 zoning restrictions now or hereafter applicable to any

1 of the property then it shall likewise be deemed not
2 legally available to OWNER by the provisions of this
3 Contract and if any use is permissible under any such
4 planning or zoning provision but is not determined as
5 set forth above to be compatible with the agricultural
6 use of land within this preserve and subject to con-
7 tract, then it shall not be deemed legally available
8 to OWNER hereunder.

9 THIRD: EMINENT DOMAIN. When any action in eminent
10 domain for the condemnation of the fee title of an
11 entire parcel of land subject to a contract is filed
12 or when such land is acquired in lieu of eminent do-
13 main for a public improvement by a public agency or
14 a person or whenever there is any such action or
15 acquisition by the Federal government or any person,
16 instrumentality, or agency acting under authority or
17 power of the Federal government, such contract shall
18 be deemed null and void as to the land actually being
19 condemned or so acquired as of the date the action is
20 filed, and for the purposes of establishing value
21 of such land the contract shall be deemed never to
22 have existed.

23 Whenever such an action to condemn or acquire
24 less than all of a parcel of land subject to a con-
25 tract is commenced, the contract shall be deemed null
26 and void as to the land actually condemned or acquired
27 and shall be disregarded in the valuation process only
28 as to the land actually being taken, unless the
29 remaining land subject to contract will be adversely
30 affected by the condemnation, in which case the value
31 of that damage shall be computed without regard to
32 the contract.

1 The contract shall be null and void for all
2 land actually taken or acquired; provided, however,
3 that should any such action be dismissed, or should
4 any interest be conveyed for non-public use, the
5 contract shall be reinstated as of the date the action
6 is dismissed or the conveyance is recorded.

7 FOURTH: TERM AND RENEWAL. The initial term of the
8 Contract shall be for ten (10) years, commencing as
9 of the first day of March next succeeding the date
10 of approval of the Contract by the Board of Supervisors
11 of the County of Yolo, and shall terminate on the last
12 day of February of the tenth (10th) year thereafter.
13 The first day of March shall be deemed to be the "anniversary date" of the Contract, and on the anniversary
14 date of the Contract a year shall be automatically
15 added to the term unless notice of non-renewal is given
16 as herein provided. If either OWNER or COUNTY desires
17 in any year not to renew the Contract, that party
18 shall serve written notice of non-renewal of the Contract upon the other party in advance of the anniversary
19 date. Unless such written notice is served by OWNER
20 at least ninety (90) days prior to the anniversary
21 date or by COUNTY at least sixty (60) days prior to
22 renewal date, the Contract shall be considered renewed
23 as provided above. At any time prior to the anniversary
24 date either party may in writing withdraw its notice of
25 non-renewal. Upon request by the OWNER, the Board of
26 Supervisors may authorize OWNER to serve notice of
27 non-renewal on a portion of the land under contract.
28 FIFTH: NO PUBLIC FUNDS. The OWNER understands that
29 he is not entitled to any public funds by reason of
30 the execution of the Contract or any renewal thereof
31
32

1 although the use of the subject property is limited
2 as aforesaid.

3 SIXTH: TERMINATION. Subject to the procedural condi-
4 tions contained herein, OWNER may elect to terminate
5 the Contract without penalty when one of the following
6 circumstances is found to exist:

7 (a) The laws of California cease to implement Article
8 XXVIII of the State Constitution in a manner pro-
9 viding benefits and restrictions substantially
10 similar to those embodied in Article 1.5 (com-
11 mencing with §421) of Chapter 3 of Part 2 of
12 Division 1 of the Revenue and Taxation Code. To
13 be substantially similar, it is hereby agreed that
14 said implementing measures must include provisions
15 for a land valuation system basing value of the
16 land on those uses legally available to OWNER as
17 the basis for assessment, and must not require
18 that OWNER permit entry of the public on subject
19 property.

20 (b) Future conservation or agricultural legislation
21 achieving a substantially similar public benefit
22 is enacted by the California Legislature and is
23 applied to subject property.

24 (c) The real property tax is abolished as a source
25 of revenue.

26 The following procedures shall be followed to elect
27 the termination of the Contract:

28 (a) Written notice of the election to terminate the
29 Contract shall be given the Board of Supervisors
30 of Yolo County by OWNER.

31 (b) The Board of Supervisors shall have thirty (30)
32 calendar days to review the proposal and the

1 information submitted in support thereof.

2 (c) If the Board does not act within said thirty (30)
3 days to set a hearing within an additional thirty
4 (30) days, it shall affect the termination by
5 recording a notice of termination with the County
6 Recorder and filing a copy thereof with the State
7 Department of Agriculture. If the Board so sets
8 a hearing, it shall give notice to OWNER and shall
9 consider the election to terminate in the same
10 manner as it would a request for cancellation as
11 provided in Section SEVENTH of the Contract.

12 SEVENTH: CANCELLATION. The Contract may not be
13 cancelled in whole or in part except pursuant to a
14 request by OWNER as provided herein.

15 (a) The Board of Supervisors of COUNTY may approve
16 the cancellation of the Contract only if it finds
17 that cancellation is not inconsistent with the
18 purposes of the California Land Conservation Act
19 and is in the public interest. The existence of
20 an opportunity for another use of the land in-
21 volved shall not be sufficient reason for the
22 cancellation of the Contract. A potential alter-
23 native use of the land may be considered only if
24 there is no proximate land not subject to a Land
25 Use Contract pursuant to the Williamson Act suit-
26 able for the use to which it is proposed the
27 subject property be put. The uneconomic character
28 of an existing agricultural use shall likewise
29 not be sufficient reason for cancellation of the
30 Contract. The uneconomic character of an existing
31 use may be considered only if there is no other
32 reasonable or comparable agricultural use to which

1 the land may be put.

2 (b) Prior to any action by the Board of Supervisors
3 giving tentative approval to the cancellation of
4 any contract, the County Assessor shall determine
5 the full cash value of the land as though it were
6 free of contractual restriction. The Assessor
7 shall multiply such value by the most recent County
8 ratio announced pursuant to §401 of the Revenue
9 and Taxation Code and shall certify the product
10 to the Board of Supervisors as the cancellation
11 valuation for the purpose of determining the can-
12 cellation fee.

13 (c) Prior to giving tentative approval to the cancella-
14 tion of the Contract, the Board of Supervisors
15 shall determine and certify to the County Auditor
16 the amount of the cancellation fee which OWNER
17 must pay to the County Treasurer as deferred
18 taxes upon cancellation. That fee shall be an
19 amount equal to 50% of the cancellation valuation
20 of the property; provided, however, if after the
21 date the contract was initially entered into, the
22 publicly announced County ratio of assessed value
23 to full cash value is changed, the percentage
24 payment in this subdivision shall be changed so no
25 greater percentage of full cash value will be paid
26 than would have been paid had there been no change
27 in ratio.

28 (d) If the Board of Supervisors finds that it is in
29 the public interest to do so, it may waive any
30 such payment or any portion thereof, or may make
31 such payment or a portion thereof contingent upon
32 the future use of the land and its economic re-

1 turn to OWNER for a period of time not to exceed
2 the unexpired term of the Contract had it not been
3 cancelled provided:

- 4 1) The cancellation is caused by an involuntary
5 transfer or change in the use which may be
6 made of the land, and the land is not immedi-
7 ately suitable, nor will be immediately used,
8 for a purpose which produces a greater econ-
9 omic return to OWNER; and
- 10 2) The Board of Supervisors has determined it is
11 in the best interest of the program to conserve
12 agricultural land use that such payment be
13 either deferred or not required.

14 (e) When the deferred taxes required by this section
15 are collected, the County Treasurer shall distri-
16 bute the taxes in accordance with the provisions
17 of Government Code §51283(d).

18 (f) Upon tentative approval of the cancellation peti-
19 tion, the Clerk of the Board of Supervisors shall
20 record in the Office of the County Recorder a
21 certification which shall set forth the name of
22 the owner of such land at the time the Contract
23 was cancelled with the amount of the cancellation
24 fee certified by the Board of Supervisors as being
25 due pursuant to this section, the contingency of
26 any waiver or deferment of payments, and a legal
27 description of the property. From the date of
28 recording of such certificate the Contract shall
29 be finally cancelled and, to the extent the can-
30 cellation fee has not yet been paid, a lien shall
31 be created and attached against the real property
32 described therein and any other real property owned

1 by the person named therein as the owner and
2 located within the County of Yolo. Such lien
3 shall have the force, effect, and priority of a
4 judgment lien. Nothing in this section shall
5 preclude the Board of Supervisors from requiring
6 payment in full of the cancellation fee prior to
7 the cancellation becoming effective.

8 (g) In no case shall the cancellation of a Contract
9 be final until the notice of cancellation is actu-
10 ally recorded as provided herein. Notwithstanding
11 any provisions of the Revenue & Taxation Code
12 any payments required by this section shall not
13 create nor impose a lien or charge on the land as
14 to which a contract is cancelled except as herein
15 provided.

16 (h) Upon the payment of the cancellation fee or any
17 portion thereof, the Clerk of the Board of Super-
18 visors shall record with the County Recorder a
19 written certificate of the release in whole or
20 in part of the lien.

21 (i) No tentative approval of cancellation may be
22 given until after the Board of Supervisors has
23 caused notice to be given of and has held a public
24 hearing on the matter. Notice of hearing shall
25 be mailed to each and every owner of property
26 under contract within this agricultural preserve
27 and shall be published pursuant to §6061 of the
28 Government Code. The owner of any property lo-
29 cated in the County of Yolo may protest such can-
30 cellation; however, such protest shall be advisory
31 only and shall not be binding upon the Board of
32 Supervisors.

1 EIGHTH: DIVISION OF SUBJECT PROPERTY. In the event
2 the subject property of the Contract is divided, a
3 Contract identical to the Contract then covering the
4 original parcel shall be executed by OWNER on each
5 parcel created by the division at the time of the
6 division. Any agency making an order of division or
7 COUNTY which has jurisdiction shall require, as a
8 condition of approval of the division, the execution
9 of the Contracts provided for in this paragraph.

10 NINTH: EXCLUSION OF LAND FROM PRESERVE. Removal of
11 any land under the Contract from an agricultural pre-
12 serve either by change of boundaries of the preserve or
13 disestablishment of the preserve shall be the equival-
14 ent of a notice of non-renewal by COUNTY.

15 TENTH: SUCCESSORS IN INTEREST. The Contract shall
16 run with the land described in it and shall be binding
17 upon the heirs, successors, and assigns of the OWNER
18 and COUNTY.

21 land within the preserve and subject to contract are

(Resolution Establishing and/or Enlarging an Agricultural Preserve, finding Land to be Included in Contracts to Lie Within One Mile of City, and Authorizing Execution of Land Use Contracts)

WHEREAS, it is the policy of the County of Yolo to maintain its agricultural economy and prevent unnecessary and premature conversion of land in agricultural use by utilizing the California Land Conservation Act of 1965; and

WHEREAS, said application contains the matter required by law and the procedural rules established by this Board of Supervisors; and

2 filed with the Clerk of this Board and the Clerk of this Board
3 has given notice in the manner required by law, and the procedural
4 rules adopted by this Board; and

5 WHEREAS, at the time and place set forth in the said notice
6 a public hearing was held by this Board of Supervisors; and

7 WHEREAS, the owners of real property set forth in said
8 Exhibit "A" have offered to enter into Land Use Contracts of
9 even date with this Resolution and making reference hereto, as
10 authorized by said Conservation Act, which Contracts impose en-
11 forceable restrictions on the therein described real property
12 which is located in said Agricultural Preserve and known as the
13 Assessor's Parcels as set forth in said Exhibit "A"; and

14 WHEREAS, the Board of Supervisors has heard and considered
15 discussion on the restrictions, terms and conditions of the Con-
16 tracts; and

17 WHEREAS, in the judgment of this Board of Supervisors, it
18 is in the interest of the County of Yolo to do so.

19 NOW, THEREFORE, BE IT RESOLVED, ORDERED, AND FOUND by the
20 Board of Supervisors of the County of Yolo as follows:

- 21 1. Each of the foregoing recitals is true and correct.
- 22 2. The action taken by this Resolution is in conformance
23 with the Yolo County General Plan.
- 24 3. The agricultural preserve which includes the territory
25 described in said Exhibit "A" consists of no less than
26 160 acres.
- 27 4. The territory described in said Exhibit "A"
 - 28 (a) is designated for agricultural use in the Yolo
29 County General Plan;
 - 30 (b) does not include any parcel less than twenty (20)
31 acres in area;
 - 32 (c) is predominantly Class I, II, or III soils, or

1 satisfies the purpose of the agricultural
2 preserve in the following ways:

- 3 (1) tends to maintain the agricultural economy; and
- 4 (2) tends to prevent premature or unnecessary
5 conversion from agriculture; and
- 6 (3) tends to assist in the preservation of prime
7 lands; and
- 8 (4) to preserve lands with public value as
9 open space.

10 5. Said Agricultural Preserves are hereby declared
11 established or enlarged to include the territory
12 described in said Exhibit "A", for the purpose of
13 defining the boundaries of those areas within which
14 the County of Yolo is willing to enter into land use
15 contracts pursuant to the Land Conservation Act of
16 1965.

17 6. A map of such agricultural preserves is attached hereto
18 marked Exhibit "B" which is incorporated by reference.

19 7. The terms and conditions upon which the County of Yolo
20 is willing to enter into land use contracts are as
21 follows:

22 FIRST: DECLARATION. This Land Use Contract is made
23 and entered into pursuant to the California Land Con-
24 servation Act of 1965 as amended (Chapter 7 of Part 1
25 of Division 1 of Title 5 of the Government Code of
26 California commencing with §51200), hereinafter
27 referred to as "the Act", including Article 3 of said
28 Act entitled "Contracts" and is subject to all of the
29 provisions thereof pertaining to contracts. It is the
30 intent of the parties that the restrictions imposed upon
31 the subject property by this Contract shall consti-
32 tute those which may be imposed upon property by Con-

1 tract under the aforementioned Act. The execution and
2 recordation of this Contract shall in no way restrict
3 COUNTY or OWNER from utilizing or benefiting from fu-
4 ture conservation or agricultural legislation enacted
5 by the California Legislature. Should COUNTY agree
6 to any provision in any other Contract under the
7 Land Conservation Act which provision is not included
8 herein and OWNER request: the inclusion of such pro-
9 vision in this Contract, such provision shall be deemed
10 added to this Contract upon written request of OWNER
11 to COUNTY and any other provision hereof inconsistent
12 with said provision shall be deemed to be of no force
13 and effect to the extent of such inconsistency.

14 SECOND: RESTRICTIONS. During the term of this Con-
15 tract and any and all renewals thereof, the subject
16 property shall not be used for any purpose other than
17 agricultural use and the uses determined by COUNTY
18 pursuant to Government Code §51231 or §51238 or by
19 the Land Conservation Act of 1965 as amended to be
20 compatible with the agricultural use of land within
21 this preserve and subject to contract. No structures
22 shall be erected upon subject property except such
23 structures as may be directly related to authorized
24 uses of the land. The parties, through appropriate
25 action by COUNTY'S Board of Supervisors in accordance
26 with the Act and its rules adopted thereunder, and
27 written consent of OWNER, may from time to time during
28 the term of this Contract and renewals thereof add to
29 to and/or delete from said permissible uses of the
30 subject property. If any use otherwise permissible
31 hereunder is not permissible under any planning or
32 zoning restrictions now or hereafter applicable to any

1 of the property then it shall likewise be deemed not
2 legally available to OWNER by the provisions of this
3 Contract and if any use is permissible under any such
4 planning or zoning provision but is not determined as
5 set forth above to be compatible with the agricultural
6 use of land within this preserve and subject to con-
7 tract, then it shall not be deemed legally available
8 to OWNER hereunder.

9 THIRD: EMINENT DOMAIN. When any action in eminent
10 domain for the condemnation of the fee title of an
11 entire parcel of land subject to a contract is filed
12 or when such land is acquired in lieu of eminent do-
13 main for a public improvement by a public agency or
14 a person or whenever there is any such action or
15 acquisition by the Federal government or any person,
16 instrumentality, or agency acting under authority or
17 power of the Federal government, such contract shall
18 be deemed null and void as to the land actually being
19 condemned or so acquired as of the date the action is
20 filed, and for the purposes of establishing value
21 of such land the contract shall be deemed never to
22 have existed.

23 Whenever such an action to condemn or acquire
24 less than all of a parcel of land subject to a con-
25 tract is commenced, the contract shall be deemed null
26 and void as to the land actually condemned or acquired
27 and shall be disregarded in the valuation process only
28 as to the land actually being taken, unless the
29 remaining land subject to contract will be adversely
30 affected by the condemnation, in which case the value
31 of that damage shall be computed without regard to
32 the contract.

1 The contract shall be null and void for all
2 land actually taken or acquired; provided, however,
3 that should any such action be dismissed, or should
4 any interest be conveyed for non-public use, the
5 contract shall be reinstated as of the date the action
6 is dismissed or the conveyance is recorded.

7 FOURTH: TERM AND RENEWAL. The initial term of the
8 Contract shall be for ten (10) years, commencing as
9 of the first day of March next succeeding the date
10 of approval of the Contract by the Board of Supervisors
11 of the County of Yolo, and shall terminate on the last
12 day of February of the tenth (10th) year thereafter.
13 The first day of March shall be deemed to be the "anniversary date" of the Contract, and on the anniversary
14 date of the Contract a year shall be automatically
15 added to the term unless notice of non-renewal is given
16 as herein provided. If either OWNER or COUNTY desires
17 in any year not to renew the Contract, that party
18 shall serve written notice of non-renewal of the Contract upon the other party in advance of the anniversary
19 date. Unless such written notice is served by OWNER
20 at least ninety (90) days prior to the anniversary
21 date or by COUNTY at least sixty (60) days prior to
22 renewal date, the Contract shall be considered renewed
23 as provided above. At any time prior to the anniversary
24 date either party may in writing withdraw its notice of
25 non-renewal. Upon request by the OWNER, the Board of
26 Supervisors may authorize OWNER to serve notice of
27 non-renewal on a portion of the land under contract.
28 FIFTH: NO PUBLIC FUNDS. The OWNER understands that
29 he is not entitled to any public funds by reason of
30 the execution of the Contract or any renewal thereof
31
32

1 although the use of the subject property is limited
2 as aforesaid.

3 SIXTH: TERMINATION. Subject to the procedural condi-
4 tions contained herein, OWNER may elect to terminate
5 the Contract without penalty when one of the following
6 circumstances is found to exist:

7 (a) The laws of California cease to implement Article
8 XXVIII of the State Constitution in a manner pro-
9 viding benefits and restrictions substantially
10 similar to those embodied in Article 1.5 (com-
11 mencing with §421) of Chapter 3 of Part 2 of
12 Division 1 of the Revenue and Taxation Code. To
13 be substantially similar, it is hereby agreed that
14 said implementing measures must include provisions
15 for a land valuation system basing value of the
16 land on those uses legally available to OWNER as
17 the basis for assessment, and must not require
18 that OWNER permit entry of the public on subject
19 property.

20 (b) Future conservation or agricultural legislation
21 achieving a substantially similar public benefit
22 is enacted by the California Legislature and is
23 applied to subject property.

24 (c) The real property tax is abolished as a source
25 of revenue.

26 The following procedures shall be followed to elect
27 the termination of the Contract:

28 (a) Written notice of the election to terminate the
29 Contract shall be given the Board of Supervisors
30 of Yolo County by OWNER.

31 (b) The Board of Supervisors shall have thirty (30)
32 calendar days to review the proposal and the

1 information submitted in support thereof.

- 2 (c) If the Board does not act within said thirty (30)
3 days to set a hearing within an additional thirty
4 (30) days, it shall affect the termination by
5 recording a notice of termination with the County
6 Recorder and filing a copy thereof with the State
7 Department of Agriculture. If the Board so sets
8 a hearing, it shall give notice to OWNER and shall
9 consider the election to terminate in the same
10 manner as it would a request for cancellation as
11 provided in Section SEVENTH of the Contract.

12 SEVENTH: CANCELLATION. The Contract may not be
13 cancelled in whole or in part except pursuant to a
14 request by OWNER as provided herein.

- 15 (a) The Board of Supervisors of COUNTY may approve
16 the cancellation of the Contract only if it finds
17 that cancellation is not inconsistent with the
18 purposes of the California Land Conservation Act
19 and is in the public interest. The existence of
20 an opportunity for another use of the land in-
21 volved shall not be sufficient reason for the
22 cancellation of the Contract. A potential alter-
23 native use of the land may be considered only if
24 there is no proximate land not subject to a Land
25 Use Contract pursuant to the Williamson Act suit-
26 able for the use to which it is proposed the
27 subject property be put. The uneconomic character
28 of an existing agricultural use shall likewise
29 not be sufficient reason for cancellation of the
30 Contract. The uneconomic character of an existing
31 use may be considered only if there is no other
32 reasonable or comparable agricultural use to which

1 the land may be put.

2 (b) Prior to any action by the Board of Supervisors
3 giving tentative approval to the cancellation of
4 any contract, the County Assessor shall determine
5 the full cash value of the land as though it were
6 free of contractual restriction. The Assessor
7 shall multiply such value by the most recent County
8 ratio announced pursuant to §401 of the Revenue
9 and Taxation Code and shall certify the product
10 to the Board of Supervisors as the cancellation
11 valuation for the purpose of determining the can-
12 cellation fee.

13 (c) Prior to giving tentative approval to the cancella-
14 tion of the Contract, the Board of Supervisors
15 shall determine and certify to the County Auditor
16 the amount of the cancellation fee which OWNER
17 must pay to the County Treasurer as deferred
18 taxes upon cancellation. That fee shall be an
19 amount equal to 50% of the cancellation valuation
20 of the property; provided, however, if after the
21 date the contract was initially entered into, the
22 publicly announced County ratio of assessed value
23 to full cash value is changed, the percentage
24 payment in this subdivision shall be changed so no
25 greater percentage of full cash value will be paid
26 than would have been paid had there been no change
27 in ratio.

28 (d) If the Board of Supervisors finds that it is in
29 the public interest to do so, it may waive any
30 such payment or any portion thereof, or may make
31 such payment or a portion thereof contingent upon
32 the future use of the land and its economic re-

1 turn to OWNER for a period of time not to exceed
2 the unexpired term of the Contract had it not been
3 cancelled provided

- 4 1) The cancellation is caused by an involuntary
5 transfer or change in the use which may be
6 made of the land, and the land is not immedi-
7 ately suitable, nor will be immediately used,
8 for a purpose which produces a greater econ-
9 omic return to OWNER; and
- 10 2) The Board of Supervisors has determined it is
11 in the best interest of the program to conserve
12 agricultural land use that such payment be
13 either deferred or not required.

14 (e) When the deferred taxes required by this section
15 are collected, the County Treasurer shall distri-
16 bute the taxes in accordance with the provisions
17 of Government Code §51283(d).

18 (f) Upon tentative approval of the cancellation peti-
19 tion, the Clerk of the Board of Supervisors shall
20 record in the Office of the County Recorder a
21 certification which shall set forth the name of
22 the owner of such land at the time the Contract
23 was cancelled with the amount of the cancellation
24 fee certified by the Board of Supervisors as being
25 due pursuant to this section, the contingency of
26 any waiver or deferment of payments, and a legal
27 description of the property. From the date of
28 recording of such certificate the Contract shall
29 be finally cancelled and, to the extent the can-
30 cellation fee has not yet been paid, a lien shall
31 be created and attached against the real property
32 described therein and any other real property owned

1 by the person named therein as the owner and
2 located within the County of Yolo. Such lien
3 shall have the force, effect, and priority of a
4 judgment lien. Nothing in this section shall
5 preclude the Board of Supervisors from requiring
6 payment in full of the cancellation fee prior to
7 the cancellation becoming effective.

8 (g) In no case shall the cancellation of a Contract
9 be final until the notice of cancellation is actu-
10 ally recorded as provided herein. Notwithstanding
11 any provisions of the Revenue & Taxation Code
12 any payments required by this section shall not
13 create nor impose a lien or charge on the land as
14 to which a contract is cancelled except as herein
15 provided.

16 (h) Upon the payment of the cancellation fee or any
17 portion thereof, the Clerk of the Board of Super-
18 visors shall record with the County Recorder a
19 written certificate of the release in whole or
20 in part of the lien.

21 (i) No tentative approval of cancellation may be
22 given until after the Board of Supervisors has
23 caused notice to be given of and has held a public
24 hearing on the matter. Notice of hearing shall
25 be mailed to each and every owner of property
26 under contract within this agricultural preserve
27 and shall be published pursuant to §6061 of the
28 Government Code. The owner of any property lo-
29 cated in the County of Yolo may protest such can-
30 cellation; however, such protest shall be advisory
31 only and shall not be binding upon the Board of
32 Supervisors.

1 EIGHTH: DIVISION OF SUBJECT PROPERTY. In the event
2 the subject property of the Contract is divided, a
3 Contract identical to the Contract then covering the
4 original parcel shall be executed by OWNER on each
5 parcel created by the division at the time of the
6 division. Any agency making an order of division or
7 COUNTY which has jurisdiction shall require, as a
8 condition of approval of the division, the execution
9 of the Contracts provided for in this paragraph.

10 NINTH: EXCLUSION OF LAND FROM PRESERVE. Removal of
11 any land under the Contract from an agricultural pre-
12 serve either by change of boundaries of the preserve or
13 disestablishment of the preserve shall be the equival-
14 ent of a notice of non-renewal by COUNTY.

15 TENTH: SUCCESSORS IN INTEREST. The Contract shall
16 run with the land described in it and shall be binding
17 upon the heirs, successors, and assigns of the OWNER
18 and COUNTY.

21 land within the preserve and subject to contract are

INTEREST IN HISTORICAL SUBJECTS HAS BEEN INCREASING RAPIDLY THROUGHOUT THE COUNTRY IN RECENT YEARS. IT HAS BEEN ATTRIBUTED TO GROWING MATURITY OF OUR SOCIETY. IT HAS BEEN EXPLAINED AS ONE OF THE RESULTS OF THE INCREASE OF LEISURE AND THE EXPANSION OF TRAVEL. CERTAINLY A CONTRIBUTING FACTOR IS THE DEVELOPMENT OF NEW AND ATTRACTIVE WAYS OF STIMULATING THIS INTEREST.

BOOKS AND DOCUMENTS WHICH HAVE TRADITIONALLY SERVED AS THE PRINCIPAL SOURCE OF HISTORICAL INFORMATION NOW SHARE THIS GROWING INTEREST WITH A WIDE VARIETY OF OTHER MEDIA OF COMMUNICATION. RADIO AND TELEVISION HAVE JOINED WITH THE OLDER MEDIUM MOTION PICTURES IN BRINGING LIFE ACTION AND EXCITEMENT TO HISTORY. TOURIST ATTRACTIONS, CAPITALIZING ON REGIONAL HISTORY, ARE WIDELY DISTRIBUTED.

EDUCATIONAL ORGANIZATIONS DEVOTED TO THE ACCURATE AND TRUTHFUL INTERPRETATION OF HISTORY ALSO SPONSOR NEW AND EXCITING WAYS OF STIMULATING PUBLIC INTEREST IN OUR HERITAGE. ANNIVERSARIES, CENTENNIALS, AND SEMICENTENNIALS OF IMPORTANT DATES BEING CELEBRATED IN MANY LOCALITIES SERVE AS A FOCUS FOR THE REVIEW OF PAST EXPERIENCES.

AN OLD AND RESPECTED INSTITUTION WHICH IS WIDELY USED TO ENCOURAGE THE GROWING INTEREST IN HISTORICAL MATTERS IS THE MUSEUM. ITS DISTINCTIVE QUALITY IS THAT IT BRINGS THE VISITOR INTO DIRECT CONTACT WITH THE TANGIBLE OBJECTS THAT WERE A PART OF THE EVENTS, THE CUSTOMS, AND THE CONDITIONS OF FORMER YEARS. A HISTORY MUSEUM IS AN INSTITUTION DEDICATED TO THE PRESERVATION AND INTERPRETATION OF COLLECTIONS OF SIGNIFICANT HISTORIC OBJECTS.

THE MAJORITY OF HISTORY MUSEUMS ARE THOSE CONCERNED WITH THE STORY OF A RESTRICTED GEOGRAPHICAL AREA. THERE ARE MANY HISTORICAL COLLECTIONS IN THE MANY MUSEUMS OPERATED BY STATE GOVERNMENT. BUT THESE ARE FAR OUTNUMBERED BY SMALL LOCAL MUSEUMS DEALING WITH THE HISTORY OF CITIES, TOWNS, OR COUNTIES, WHICH ARE OPERATED BY

MUSEUM COMMISSIONS OF CITY OF COUNTY GOVERNMENTS.

SUCH A MUSEUM IS BEING DEVELOPED FOR YOLO COUNTY AND IS DEDICATED TO THE INTERPRETATION AND PRESERVATION OF THE HISTORY OF YOLO COUNTY AND THE NATURAL HISTORY OF YOLO COUNTY. THE MUSEUM SHALL COLLECT INFORMATION AND ARTIFACTS PERTAINING TO YOLO COUNTY HISTORY, ETHNIC HISTORY, AND NATURAL HISTORY.

THE MAIN FOCUS OF THE YOLO COUNTY MUSEUM SHALL BE THE PRESERVATION OF HISTORY GEOGRAPHICALLY LIMITED TO YOLO COUNTY. THE FUNCTION OF THE MUSEUM SHALL BE THREE FOLD: REPOSITORY, EDUCATION, RESEARCH.

WHEREAS, the final tracing of said Parcel Map has been signed by all necessary parties, pursuant to the provisions of the Government Code of the State of California; and

WHEREAS, said map in all respects complies with the provisions of the State Subdivision Map Act and of the Local Ordinances.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Yolo as follows: (1) Each of the foregoing recitals is true and correct; (2) This Board, after consideration of the Environmental Impact Report filed previously, covering all subdivisions within the West Sacramento Port Area, hereby adopts and approves the final Environmental Impact Report for this project and finds that said final EIR has been completed in compliance with the California Environmental Quality Act and State Guidelines, and finds that this project as proposed will have a

1 significant effect upon the environment. However, this land
2 division is part of a larger development zoned M-1, in which
3 improvements have been constructed and installed in accordance
4 with Plans and Specification approved by the County of Yolo.
5 The installation of additional on-site improvements could
6 significantly increase the demand on the existing facilities
7 within the project area, resulting in a significant effect on the
8 environment. However, the Board hereby finds that the following
9 factors warrant approval of the project notwithstanding said
10 significant effect:

11 The land to be used for this land division is currently
12 designated for industrial uses on the Yolo County General Plan,
13 and is zoned consistently therewith. The land division creates
14 two parcels from an existing single parcel in order to utilize
15 subject parcel in a more economical manner. Development of a
16 larger industrial facility is the only alternative to this
17 division, which would result in a greater adverse effect on the
18 environment than this project as proposed.

19 The Environmental Impact Report filed previously for this
20 project and other subdivisions within the general area identifies
21 several mitigation measures, which are hereby found by this Board
22 to be appropriate and feasible, and ordered by this Board to be
23 incorporated into said project; (3) This Board hereby finds that
24 the proposed subdivision, together with the provisions for its
25 design and improvements, is consistent with general plan adopted
26 for the County of Yolo. (4) This Board hereby approves Parcel
27 Map No. 2760 as submitted, and instructs the Clerk to prepare the
28 map for transmittal to the County Recorder for filing.

29 BE IT FURTHER RESOLVED that the Clerk of this Board hereby
30 is authorized and directed to file a Notice of Determination upon
31 the proposed project; said notice shall include the decision of
32 this Board to approve the project, and the finding of this Board

1 that the proposed project will have a significant effect upon the
2 environment. Said notice also shall include the statement of
3 overriding consideration set forth hereinabove, and the mitigation
4 measures incorporated into the project, as stated hereinabove.
5 Said notice also shall include the statement that the Environmental
6 Impact Report considered and approved by this Board has been
7 prepared pursuant to and is consistent with the provisions of the
8 California Environmental Quality Act and State Guidelines adopted
9 pursuant thereto.

2 WHEREAS, the Planning Commission resolution has been

5 rules adopted by this Board; and

6 WHEREAS, at the time and place set forth in the said
7 notice a public hearing was held by this Board of Supervisors;
8 and

9 WHEREAS, the owners of real property set forth in said
10 Exhibit "A" have offered to enter into Land Use Contracts of
11 even date with this Resolution and making reference hereto, as
12 authorized by said Conservation Act, which Contracts impose en-
13 forceable restrictions on the therein described real property
14 which is located in said Agricultural Preserve and known as the
15 Assessor's Parcels as set forth in said Exhibit "A"; and

16 WHEREAS, the Board of Supervisors has heard and considered
17 discussion on the restrictions, terms and conditions of the Con-
18 tracts; and

19 WHEREAS, in the judgment of this Board of Supervisors, it
20 is in the interest of the County of Yolo to do so:

21 NOW, THEREFORE, BE IT RESOLVED, ORDERED AND FOUND by the
22 Board of Supervisors of the County of Yolo as follows:

- 23 1. Each of the foregoing recitals is true and correct.
- 24 2. The action taken by this resolution is in conformance
25 with the Yolo County General Plan.
- 26 3. The agricultural preserve which includes the territory
27 described in said Exhibit "A" consists of no less than
28 160 acres.
- 29 4. The territory described in said Exhibit "A"
 - 30 a. is designated for agricultural use in the Yolo
31 County General Plan;
 - 32 b. does not include any parcel less than twenty (20)

acres in area.

c. is predominantly Class I, II, or III soils, or satisfies the purpose of the agricultural preserve in the following ways:

- 1) tends to maintain the agricultural economy, and
- 2) tends to prevent premature or unnecessary conversion from agriculture, and
- 3) tends to assist in the preservation of prime lands, and
- 4) to preserve lands with public value as open space.

5. Said Agricultural Preserves are hereby declared established or enlarged to include the territory described in said Exhibit "A", for the purpose of defining the boundaries of those areas within which the County of Yolo is willing to enter into land use contracts pursuant to the Land Conservation Act 1965.

6. A map of such agricultural preserves is attached hereto marked Exhibit "B" which is incorporated by reference.

7. The terms and conditions upon which the County of Yolo is willing to enter into land use contracts are as follows:

FIRST: DECLARATION. This Land Use Contract is made and entered into pursuant to the California Land Conservation Act of 1965 as amended (Chapter 7 of Part 1 of Division 1 of Title 5 of the Government Code of California commencing with §51200), hereinafter referred to as "the Act", including Article 3 of said Act entitled "Contracts" and is subject to

1 all of the provisions thereof pertaining to con-
2 tracts. It is the intent of the parties that the
3 restrictions imposed upon the subject property by
4 this Contract shall constitute those which may be
5 imposed upon property by Contract under the afore-
6 mentioned Act. The execution and recordation of
7 this Contract shall in no way restrict COUNTY or
8 OWNER from utilizing or benefiting from future con-
9 servation or agricultural legislation enacted by
10 the California Legislature. Should COUNTY agree
11 to any provision in any other Contract under the
12 Land Conservation Act which provision is not in-
13 cluded herein and OWNER requests the inclusion of
14 such provision in this Contract such provision shall
15 be deemed added to this Contract upon written re-
16 quest of OWNER to COUNTY and any other provision
17 hereof inconsistent with said provision shall be
18 deemed to be of no force and effect to the extent
19 of such inconsistency.

20 SECOND: RESTRICTIONS. During the term of this Con-
21 tract and any and all renewals thereof, the subject
22 property shall not be used for any purpose other
23 than agricultural use and the uses determined by
24 COUNTY pursuant to Government Code §§ 51231 or 51238
25 or by the Land Conservation Act of 1965 as amended
26 to be compatible with the agricultural use of land
27 within this preserve and subject to contract. No
28 structures shall be erected upon subject property
29 except such structures as may be directly related
30 to authorized uses of the land. The parties, through
31 appropriate action by COUNTY'S Board of Supervisors
32 in accordance with the Act and its rules adopted

1 thereunder, and written consent of OWNER, may from
2 time to time during the term of this Contract and
3 renewals thereof add to and/or delete from said
4 permissible uses of the subject property. If any
5 use otherwise permissible hereunder is not permis-
6 sible under any planning or zoning restriction now
7 or hereafter applicable to any of the property
8 then it shall likewise be deemed not legally avail-
9 able to OWNER by the provisions of this Contract,
10 and if any use is permissible under any such planning
11 or zoning provision but is not determined as set
12 forth above to be compatible with the agricultural
13 use of land within this preserve and subject to
14 contract, then it shall not be deemed legally avail-
15 able to OWNER hereunder.

16 THIRD: EMINENT DOMAIN. When any action in eminent
17 domain for the condemnation of the fee title of an
18 entire parcel of land subject to a contract is
19 filed or when such land is acquired in lieu of
20 eminent domain for a public improvement by a public
21 agency or a person or whenever there is any such
22 action or acquisition by the Federal government or
23 any person, instrumentality or agency acting under
24 authority or power of the Federal government, such
25 contract shall be deemed null and void as to the
26 land actually being condemned or so acquired as of
27 the date the action is filed, and for the purposes
28 of establishing value of such land the contract shall
29 be deemed never to have existed.

30 Whenever such an action to condemn or acquire
31 less than all of a parcel of land subject to a con-
32 tract is commenced, the contract shall be deemed

1 null and void as to the land actually condemned or
2 acquired and shall be disregarded in the valuation
3 process only as to the land actually being taken,
4 unless the remaining land subject to contract will
5 be adversely affected by the condemnation, in which
6 case the value of that damage shall be computed
7 without regard to the contract.

8 The contract shall be null and void for all
9 land actually taken or acquired; provided however,
10 that should any such action be dismissed or should
11 an interest be conveyed for non-public use, the
12 contract shall be reinstated as of the date the
13 action is dismissed or the conveyance is recorded.
14 FOURTH: TERM AND RENEWAL. The initial term of the
15 Contract shall be for ten (10) years, commencing as
16 of the first day of March next succeeding the date
17 of approval of the Contract by the Board of Super-
18 visors of the County of Yolo, and shall terminate
19 on the last day of February of the tenth (10th) year
20 thereafter. The first day of March shall be deemed
21 to be the "anniversary date" of the contract, and on
22 the anniversary date of the contract a year shall be
23 automatically added to the term unless notice of
24 non-renewal is given as herein provided. If either
25 OWNER or COUNTY desires in any year not to renew
26 the contract, that party shall serve written notice
27 of non-renewal of the contract upon the other party
28 in advance of the anniversary date. Unless such
29 written notice is served by OWNER at least ninety
30 (90) days prior to the anniversary date or by COUNTY
31 at least sixty (60) days prior to renewal date, the
32 contract shall be considered renewed as provided

1 above. At any time prior to the anniversary date
2 either party may in writing withdraw its notice of
3 non-renewal. Upon request by the OWNER to serve notice of
4 non-renewal on a portion of the land under contract.
5 FIFTI: NO PUBLIC FUNDS. The OWNER understands that
6 he is not entitled to any public funds by reason of
7 the execution of the Contract or any renewal thereof
8 although the use of the subject property is limited
9 as aforesaid.

10 SIXTH: TERMINATION. Subject to the procedural
11 conditions contained herein, OWNER may elect to termi-
12 nate the contract without penalty when one of the
13 following circumstances is found to exist:

- 14 (a) The laws of California cease to implement Article
15 XXVIII of the State Constitution in a manner
16 providing benefits and restrictions substantially
17 similar to those embodied in Article 1.5 (com-
18 mencing with § 421) of Chapter 3 of Part 2 of
19 Division 1 of the Revenue and Taxation Code. To
20 be substantially similar, it is hereby agreed that
21 said implementing measures must include provisions
22 for a land valuation system basing value of the
23 land on those uses legally available to OWNER as
24 the basis for assessment, and must not require
25 that OWNER permit entry of the public on subject
26 property.
- 27 (b) Future conservation or agricultural legislation
28 achieving a substantially similar public benefit
29 is enacted by the California Legislature and is
30 applied to subject property.
- 31 (c) The real property tax is abolished as a source
32

1 of revenue.

2 The following procedures shall be followed to elect
3 the termination of the Contract:

- 4 (a) Written notice of the election to terminate the
5 Contract shall be given the Board of Supervisors
6 of Yolo County by OWNER.
- 7 (b) The Board of Supervisors shall have thirty (30)
8 calendar days to review the proposal and the
9 information submitted in support thereof.
- 10 (c) If the Board does not act within an additional thirty
11 (30) days, it shall effect the termination by
12 recording a notice of termination with the County
13 Recorder and filing a copy thereof with the State
14 Department of Agriculture. If the Board so sets
15 a hearing, it shall give notice to OWNER and
16 shall consider the election to terminate in the
17 same manner as it would a request for cancellation
18 as provided in Section SEVENTH of the Contract.

19 SEVENTH: CANCELLATION. The Contract may not be
20 cancelled in whole or part except pursuant to a re-
21 quest by OWNER as provided herein.

- 22 (a) The Board of Supervisors of COUNTY may approve
23 the cancellation of the Contract only if it finds
24 that cancellation is not inconsistent with the
25 purposes of the California Land Conservation Act
26 and is in the public interest. The existence of
27 an opportunity for another use of the land in-
28 volved shall not be sufficient reason for the
29 cancellation of the Contract. A potential
30 alternative use of the land may be considered
31 only if there is no proximate land not subject
32 to a Land Use Contract pursuant to the Williamson

1 Act suitable for the use to which it is proposed
2 the subject property be put. The uneconomic
3 character of an existing agricultural use shall
4 likewise not be sufficient reason for cancellation
5 of the Contract. The uneconomic character of an
6 existing use may be considered only if there is no
7 other reasonable or comparable agricultural use to
8 which the land may be put.

9 (b) Prior to any action by the Board of Supervisors
10 giving tentative approval to the cancellation of
11 any contract, the County Assessor shall determine
12 the full cash value of the land as though it were
13 free of the contractual restriction. The Assessor
14 shall multiply such value by the most recent County
15 ratio announced pursuant to § 401 of the Revenue &
16 Taxation Code and shall certify the product to the
17 Board of Supervisors as the cancellation valuation
18 for the purpose of determining the cancellation fee.

19 (c) Prior to giving tentative approval to the cancel-
20 lation of the Contract, the Board of Supervisors
21 shall determine and certify to the County Auditor
22 the amount of the cancellation fee which OWNER
23 must pay to the County Treasurer as deferred taxes
24 upon cancellation. That fee shall be an amount
25 equal to 50% of the cancellation valuation of the
26 property; provided, however if after the date the
27 contract was initially entered into, the publicly
28 announced county ratio of assessed value to full
29 cash value is changed, the percentage payment in
30 this subdivision shall be changed so no greater
31 percentage of full cash value will be paid than
32 would have been paid had there been no change in
ratio.

1 (d) If the Board of Supervisors finds that it is in
2 the public interest to do so, it may waive any
3 such payment or any portion thereof, or may make
4 such payment or a portion thereof contingent upon
5 the future use of the land and its economic return
6 to OWNER for a period of time not to exceed the
7 unexpired term of the Contract had it not been can-
8 celled provided:

- 9 1) The cancellation is caused by an involuntary
10 transfer or change in the use which may be made
11 of the land, and the land is not immediately
12 suitable, nor will be immediately used, for a
13 purpose which produces a greater economic re-
14 turn to OWNER; and
15 2) The Board of Supervisors has determined it is
16 in the best interest of the program to conserve
17 agricultural land use that such payment be
18 either deferred or not required.

19 (e) When the deferred taxes required by this section
20 are collected, the County Treasurer shall distribute
21 the taxes in accordance with the provisions of
22 Government Code § 51283(d).

23 (f) Upon tentative approval of the cancellation peti-
24 tion, the Clerk of the Board of Supervisors shall
25 record in the office of the Recorder a
26 certificate which shall set forth the name of the
27 owner of such land at the time the Contract was
28 cancelled with the amount of the cancellation fee
29 certified by the Board of Supervisors as being
30 due pursuant to this section, the contingency of
31 any waiver or deferment of payments, and a legal
32 description of the property. From the date of

1 recording of such certificate the Contract shall
2 be finally cancelled and, to the extent the can-
3 cellation fee has not yet been paid, a lien shall
4 be created and attached against the real property
5 described therein and any other real property
6 described therein and any other real property
7 owned by the person named therein as the owner
8 and located within the County of Yolo. Such lien
9 shall have the force, effect and priority of a
10 judgment lien. Nothing in this section shall pre-
11 clude the Board of Supervisors from requiring payment
12 in full of the cancellation fee prior to the cancel-
13 lation becoming effective.

14 (g) In no case shall the cancellation of a Contract
15 be final until the notice of cancellation is actually
16 recorded as provided herein. Notwithstanding any
17 provisions of the Revenue & Taxation Code, any
18 payments required by this section shall not create nor
19 impose a lien or charge on the land as to which a
20 contract is cancelled except as herein provided.

21 (h) Upon the payment of the cancellation fee or any
22 portion thereof, the Clerk of the Board of Super-
23 visors shall record with the County Recorder a
24 written certificate of the release in whole or in
25 part of the lien.

26 (i) No tentative approval of cancellation may be
27 given until after the Board of Supervisors has
28 caused notice to be given of and has held a public
29 hearing on the matter. Notice of hearing shall be
30 mailed to each and every owner of property under
31 contract within this agricultural preserve and
32

shall be published pursuant to § 6061 of the Government Code. The owner of any property located in the County of Yolo may protest such cancellation; however, such protest shall be advisory only and shall not be binding upon the Board of Supervisors.

EIGHTH: DIVISION OF SUBJECT PROPERTY. In the event subject property of the Contract is divided, a Contract identical to the Contract then covering the original parcel shall be executed by OWNER on each parcel created by the division at the time of the division. Any agency making an order of division or COUNTY which has jurisdiction shall require, as a condition of approval of the division, the execution of the Contracts provided for in this paragraph.

NINTH: EXCLUSION OF LAND FROM PRESERVE. Removal of any land under the Contract from an agricultural preserve either by change of boundaries of the preserve or disestablishment of the preserve shall be the equivalent of a notice of non-renewal by COUNTY.

TENTH: SUCCESSORS IN INTEREST. The Contract shall run with the land described in it and shall be binding upon the heirs, successors and assigns of the OWNER and COUNTY.

8. The uses determined by COUNTY to be agricultural uses and uses compatible with the agricultural use of the land within the preserve and subject to contract are as follows:

A. Agricultural Uses:

1. Agriculture, including any customary agricultural buildings and structures, and such uses as, but not limited to, livestock ranges,

1 animal husbandry, field crops, fallow, withdrawal

24 6. Living quarters of persons employed on the
25 premises and relatives of the property owner or
26 lessee; but not including labor camps.

27 7. Mobile homes may be used as living quarters
28 when they are located on land used for agricul-

23. The extraction of gravel incidental to creek bank protection and erosion prevention consisting of channelization where found by the Planning Commission or the Board of Supervisors to constitute an accessory use under the zoning regulations of the County of Yolo or where pursuant to a use permit granted under said zoning regulation.

WHEREAS, the Board of Supervisors of the County of Yolo
heretofore has adopted Resolution No. 77-46, the Salary Resolu-
tion of the County of Yolo, to be effective July 1, 1977; and

to the Resolution as amended;

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors
as follows:

RE: FINDINGS OF APPORTIONMENT FOR 1978/79 - LOCAL TRANSPORTATION FUND

Attached please find a draft of the Findings of Apportionment for 1978/79 for the distribution of the Local Transportation Fund (SB 325). The report is substantially in the same format as last years' findings.

As you know, each of the County Auditors submits to us by February 1 their estimated June 30th balances and their estimates of income to the Local Transportation Fund for the ensuing fiscal year. During previous years, those recommendations resulted in a 36.93% increase in FY 73/74 over 72/73, a 21.33% increase in FY 74/75 over 73/74, a 8.45% decrease in FY 75/76 under 74/75, a 18.62% increase in FY 76/77 over 75/76, and a 14.20% increase in FY 77/78 over 76/77. Current estimates show a positive growth factor of 26.31% for 78/79 over 77/78.

The chart below indicates the amounts which were available for allocation by counties beginning with FY 72/73. The chart also indicates the percentage differences by county between the 77/78 and 78/79 figures.

6. A map of such agricultural preserves is attached hereto marked Exhibit "B" which is incorporated by reference.
7. The terms and conditions upon which the County of Yolo is willing to enter into land use contracts are as follows:

FIRST: DECLARATION. This Land Use Contract is made and entered into pursuant to the California Land Conservation Act of 1965 as amended (Chapter 7 of Part 1 of Division 1 of Title 5 of the Government Code of California commencing with §51200), hereinafter referred to as "the Act", including Article 3 of said Act entitled "Contracts" and is subject to all of the provisions thereof pertaining to contracts. It is the intent of the parties that the restrictions imposed upon the subject property by this Contract shall constitute those which may be imposed upon property by Con-

1 tract under the aforementioned Act. The execution and
2 recordation of this Contract shall in no way restrict
3 COUNTY or OWNER from utilizing or benefiting from fu-
4 ture conservation or agricultural legislation enacted
5 by the California Legislature. Should COUNTY agree
6 to any provision in any other Contract under the
7 Land Conservation Act which provision is not included
8 herein and OWNER requests the inclusion of such pro-
9 vision in this Contract, such provision shall be deemed
10 added to this Contract upon written request of OWNER
11 to COUNTY and any other provision hereof inconsistent
12 with said provision shall be deemed to be of no force
13 and effect to the extent of such inconsistency.

14 SECOND: RESTRICTIONS. During the term of this Con-
15 tract and any and all renewals thereof, the subject
16 property shall not be used for any purpose other than
17 agricultural use and the uses determined by COUNTY
18 pursuant to Government Code §51231 or §51238 or by
19 the Land Conservation Act of 1965 as amended to be
20 compatible with the agricultural use of land within
21 this preserve and subject to contract. No structures
22 shall be erected upon subject property except such
23 structures as may be directly related to authorized
24 uses of the land. The parties, through appropriate
25 action by COUNTY'S Board of Supervisors in accordance
26 with the Act and its rules adopted thereunder, and
27 written consent of OWNER, may from time to time during
28 the term of this Contract and renewals thereof add to
29 to and/or delete from said permissible uses of the
30 subject property. If any use otherwise permissible
31 hereunder is not permissible under any planning or
32 zoning restrictions now or hereafter applicable to any

1 of the property then it shall likewise be deemed not
2 legally available to OWNER by the provisions of this
3 Contract and if any use as permissible under any such
4 planning or zoning provision but is not determined as
5 set forth above to be compatible with the agricultural
6 use of land within this preserve and subject to con-
7 tract, then it shall not be deemed legally available
8 to OWNER hereunder.

9 THIRD: EMINENT DOMAIN. When any action in eminent
10 domain for the condemnation of the fee title of an
11 entire parcel of land subject to a contract is filed
12 or when such land is acquired in lieu of eminent do-
13 main for a public improvement by a public agency or
14 a person or whenever there is any such action or
15 acquisition by the Federal government or any person,
16 instrumentality, or agency acting under authority or
17 power of the Federal government, such contract shall
18 be deemed null and void as to the land actually being
19 condemned or so acquired as of the date the action is
20 filed, and for the purposes of establishing value
21 of such land the contract shall be deemed never to
22 have existed.

23 Whenever such an action to condemn or acquire
24 less than all of a parcel of land subject to a con-
25 tract is commenced, the contract shall be deemed null
26 and void as to the land actually condemned or acquired
27 and shall be disregarded in the valuation process only
28 as to the land actually being taken, unless the
29 remaining land subject to contract will be adversely
30 affected by the condemnation, in which case the value
31 of that damage shall be computed without regard to
32 the contract.

1 The contract shall be null and void for all
2 land actually taken or acquired; provided, however,
3 that should any such action be dismissed, or should
4 any interest be conveyed for non-public use, the
5 contract shall be reinstated as of the date the action
6 is dismissed or the conveyance is recorded.

7 FOURTH: TERM AND RENEWAL. The initial term of the
8 Contract shall be for ten (10) years, commencing as
9 of the first day of March next succeeding the date
10 of approval of the Contract by the Board of Supervisors
11 of the County of Yolo, and shall terminate on the last
12 day of February of the tenth (10th) year thereafter.
13 The first day of March shall be deemed to be the "ann-
14 iversary date" of the Contract, and on the anniversary
15 date of the Contract a year shall be automatically
16 added to the term unless notice of non-renewal is given
17 as herein provided. If either OWNER or COUNTY desires
18 in any year not to renew the Contract, that party
19 shall serve written notice of non-renewal of the Con-
20 tract upon the other party in advance of the anniversary
21 date. Unless such written notice is served by OWNER
22 at least ninety (90) days prior to the anniversary
23 date or by COUNTY at least sixty (60) days prior to
24 renewal date, the Contract shall be considered renewed
25 as provided above. At any time prior to the anniversary
26 date either party may in writing withdraw its notice of
27 non-renewal. Upon request by the OWNER, the Board of
28 Supervisors may authorize OWNER to serve notice of
29 non-renewal on a portion of the land under contract.
30 FIFTH: NO PUBLIC FUNDS. The OWNER understands that
31 he is not entitled to any public funds by reason of
32 the execution of the Contract or any renewal thereof

1 although the use of the subject property is limited
2 as aforesaid.

3 SIXTH: TERMINATION. Subject to the procedural condi-
4 tions contained herein, OWNER may elect to terminate
5 the Contract without penalty when one of the following
6 circumstances is found to exist:

- 7 a) The laws of California cease to implement Article
8 XXVIII of the State Constitution in a manner pro-
9 viding benefits and restrictions substantially
10 similar to those embodied in Article 1.5 (con-
11 mencing with §421) of Chapter 3 of Part 2 of
12 Division 1 of the Revenue and Taxation Code. To
13 be substantially similar, it is hereby agreed that
14 said implementing measures must include provisions
15 for a land valuation system basing value of the
16 land on those uses legally available to OWNER as
17 the basis for assessment, and must not require
18 that OWNER permit entry of the public on subject
19 property.
- 20 (b) Future conservation or agricultural legislation
21 achieving a substantially similar public benefit
22 is enacted by the California Legislature and is
23 applied to subject property.
- 24 (c) The real property tax is abolished as a source
25 of revenue.

26 The following procedures shall be followed to elect
27 the termination of the Contract:

- 28 (a) Written notice of the election to terminate the
29 Contract shall be given the Board of Supervisors
30 of Yolo County by OWNER.
- 31 (b) The Board of Supervisors shall have thirty (30)
32 calendar days to review the proposal and the

information submitted in support thereof.

- (c) If the Board does not act within said thirty (30) days to set a hearing within an additional thirty (30) days, it shall affect the termination by recording a notice of termination with the County Recorder and filing a copy thereof with the State Department of Agriculture. If the Board so sets a hearing, it shall give notice to OWNER and shall consider the election to terminate in the same manner as it would a request for cancellation as provided in Section SEVENTH of the Contract.

SEVENTH: CANCELLATION. The Contract may not be cancelled in whole or in part except pursuant to a request by OWNER as provided herein.

- (a) The Board of Supervisors of COUNTY may approve the cancellation of the Contract only if it finds that cancellation is not inconsistent with the purposes of the California Land Conservation Act and is in the public interest. The existence of an opportunity for another use of the land involved shall not be sufficient reason for the cancellation of the Contract. A potential alternative use of the land may be considered only if there is no proximate land not subject to a Land Use Contract pursuant to the Williamson Act suitable for the use to which it is proposed the subject property be put. The uneconomic character of an existing agricultural use shall likewise not be sufficient reason for cancellation of the Contract. The uneconomic character of an existing use may be considered only if there is no other reasonable or comparable agricultural use to which

1 the land may be put.

2 (b) Prior to any action by the Board of Supervisors
3 giving tentative approval to the cancellation of
4 any contract, the County Assessor shall determine
5 the full cash value of the land as though it were
6 free of contractual restriction. The Assessor
7 shall multiply such value by the most recent County
8 ratio announced pursuant to §401 of the Revenue
9 and Taxation Code and shall certify the product
10 to the Board of Supervisors as the cancellation
11 valuation for the purpose of determining the can-
12 cellation fee.

13 (c) Prior to giving tentative approval to the cancella-
14 tion of the Contract, the Board of Supervisors
15 shall determine and certify to the County Auditor
16 the amount of the cancellation fee which OWNER
17 must pay to the County Treasurer as deferred
18 taxes upon cancellation. That fee shall be an
19 amount equal to 50% of the cancellation valuation
20 of the property; provided, however, if after the
21 date the contract was initially entered into, the
22 publicly announced County ratio of assessed value
23 to full cash value is changed, the percentage
24 payment in this subdivision shall be changed so no
25 greater percentage of full cash value will be paid
26 than would have been paid had there been no change
27 in ratio.

28 (d) If the Board of Supervisors finds that it is in
29 the public interest to do so, it may waive any
30 such payment or any portion thereof, or may make
31 such payment or a portion thereof contingent upon
32 the future use of the land and its economic re-

1 turn to OWNER for a period of time not to exceed
2 the unexpired term of the Contract had it not been
3 cancelled provided:

4 1) The cancellation is caused by an involuntary
5 transfer or change in the use which may be
6 made of the land, and the land is not immed-
7 iately suitable nor will be immediately used,
8 for a purpose which produces a greater econ-
9 omic return to OWNER; and

10 2) The Board of Supervisors has determined it is
11 in the best interest of the program to conserve
12 agricultural land use that such payment be
13 either deferred or not required.

14 (e) When the deferred taxes required by this section
15 are collected, the County Treasurer shall distri-
16 bute the taxes in accordance with the provisions
17 of Government Code §51283(d).

18 (f) Upon tentative approval of the cancellation peti-
19 tion, the Clerk of the Board of Supervisors shall
20 record in the Office of the County Recorder a
21 certification which shall set forth the name of
22 the owner of such land at the time the Contract
23 was cancelled with the amount of the cancellation
24 fee certified by the Board of Supervisors as being
25 due pursuant to this section, the contingency of
26 any waiver or deferment of payments, and a legal
27 description of the property. From the date of
28 recording of such certificate the Contract shall
29 be finally cancelled and, to the extent the can-
30 cellation fee has not yet been paid, a lien shall
31 be created and attached against the real property
32 described therein and any other real property owned

1 by the person named therein as the owner and
2 located within the County of Yolo. Such lien
3 shall have the force, effect, and priority of a
4 judgment lien. Nothing in this section shall
5 preclude the Board of Supervisors from requiring
6 payment in full of the cancellation fee prior to
7 the cancellation becoming effective.

8 (g) In no case shall the cancellation of a Contract
9 be final until the notice of cancellation is actu-
10 ally recorded as provided herein. Notwithstanding
11 any provisions of the Revenue & Taxation Code
12 any payments required by this section shall not
13 create nor impose a lien or charge on the land as
14 to which a contract is cancelled except as herein
15 provided.

16 (h) Upon the payment of the cancellation fee or any
17 portion thereof, the Clerk of the Board of Super-
18 visors shall record with the County Recorder a
19 written certificate of the release in whole or
20 in part of the lien.

21 (i) No tentative approval of cancellation may be
22 given until after the Board of Supervisors has
23 caused notice to be given of and has held a public
24 hearing on the matter. Notice of hearing shall
25 be mailed to each and every owner of property
26 under contract within this agricultural preserve
27 and shall be published pursuant to §6061 of the
28 Government Code. The owner of any property lo-
29 cated in the County of Yolo may protest such can-
30 cellation; however, such protest shall be advisory
31 only and shall not be binding upon the Board of
32 Supervisors.

1 EIGHTH: DIVISION OF SUBJECT PROPERTY. In the event
2 the subject property of the Contract is divided, a
3 Contract identical to the Contract then covering the
4 original parcel shall be executed by OWNER on each
5 parcel created by the division at the time of the
6 division. Any agency making an order of division or
7 COUNTY which has jurisdiction shall require, as a
8 condition of approval of the division, the execution
9 of the Contracts provided for in this paragraph.

10 NINTH: EXCLUSION OF LAND FROM PRESERVE. Removal of
11 any land under the Contract from an agricultural pre-
12 serve either by change of boundaries of the preserve or
13 disestablishment of the preserve shall be the equivalent
14 of a notice of non-renewal by COUNTY.

15 TENTH: SUCCESSORS IN INTEREST. The Contract shall
16 run with the land described in it and shall be binding
17 upon the heirs, successors, and assigns of the OWNER
18 and COUNTY.

- 19 8. The uses determined by COUNTY to be agricultural uses
20 and uses compatible with the agricultural use of the
21 land within the preserve and subject to contract are
22 as follows:

2 SPRINGLAKE FIRE PROTECTION DISTRICT OF YOLO COUNTY

3 SECTION 100. Purpose. Pursuant to the provisions of
4 Government Code § 87300, et seq. and Government Code § 87304,
5 the Board of Supervisors of the County of Yolo hereby adopts
6 the following Conflict of Interest Code for the Springlake
7 Fire Protection District. Nothing contained herein is intended
8 to modify or abridge the provisions of the Political Reform Act
9 of 1974 (Government Code § 81000). The provisions of this Code
10 are additional to Government Code § 87100 and other laws
11 pertaining to conflicts of interest. Except as otherwise
12 indicated, the definitions of said Act and regulations adopted
13 pursuant thereto are incorporated herein and this Code shall
14 be interpreted in a manner consistent therewith.

15 SECTION 200. Designated Positions. The positions listed
16 on Exhibit "A" are designated positions. Officers holding
17 those positions are designated officers and are deemed to

20 SECTION 300. Disclosure Statements. Designated officers
21 shall be assigned to the disclosure category as set forth on
22 Exhibit "B". Each designated officer shall file an annual state-
23 ment disclosing that officer's interest in investments, real

32 interest, shall make and retain a copy and forward the original

1 to the Board of Supervisors of Yolo County.

2 (c) A designated officer required to submit a statement
3 of financial interest shall submit an initial statement within
4 30 days after the effective date of this Code.

5 (d) All officers appointed to designated positions shall
6 file an initial statement not less than 10 days before assuming
7 office, unless an earlier assumption of office is required by
8 emergency circumstances, in which case, the statement shall be
9 filed within 30 days thereafter.

10 (e) Annual statements shall be filed during the month of
11 February by all designated officers. Such statements shall
12 cover the period of the preceding calendar year.

14 financial interest with any other agency, which is within the
15 same territorial jurisdiction, may comply with the provisions of
16 this Code by filing a duplicate copy of the statement filed with
17 the other agency, in lieu of an entirely separate document.

18 (g) Every designated employee who leaves a designated
19 position shall, within thirty (30) days after leaving the office,
20 file a leaving office statement covering the period since the
21 previous statement filed under this Conflict of Interest Code.

22 SECTION 500. Contents of Disclosure Statements.

6 investment, or interest in real property, exceeds ten
7 thousand dollars (\$10,000), and whether it exceeds
8 one hundred thousand dollars (\$100,000).

9 (5) This information need not be provided with
10 respect to an interest in real property which is used
11 principally as the residence of the filer.

12 (b) Contents of Personal Income Reports:

13 When personal income is required to be reported, the
14 statement shall contain:

15 (1) The name and address of each source of income

19 description of the business activity, if any of
20 each source;

21 (2) A statement whether the aggregate value of income

29 SECTION 600. Disqualification. Designated officers must
30 disqualify themselves from making or participating in the making
31 of any decisions which will foreseeably have a material financial

3 in Government Code § 87103. No designated employee shall
4 be prevented from making or participating in the making of any
5 decision to the extent his or her participation is legally
6 required for the decision to be made.

7 SECTION 700. Manner of Disqualification. A designated
8 officer, who is a board member, required to disqualify himself
9 or herself shall give notice at the meeting during which
10 consideration of the decision takes place and such notice shall
11 be made part of the official record of the board. The member
12 shall then refrain from participating and shall attempt in no
13 way to use his or her official position to influence any other
14 person with respect to the matter.

15 SECTION 800. Definition of Terms. Definition of terms
16 contained in this Code shall be consistent with the definition
17 of identical terms contained in the Political Reform Act of
18 1974, Government Code § 87100, et seq., and with the definition
19 of identical terms contained in Regulations of the Fair
20 Political Practices Commission, 2 Cal. Admin., Code §§

NEGATIVE DECLARATION
ENVIRONMENTAL SIGNIFICANCE

No. 77-63

The Yolo County Planning Commission has reviewed all available information on the environmental effect of the project described as request for variance to establish two 50-foot wide residential building sites containing 5000 square feet with 5-foot sideyard setbacks and 20 foot rear yard setbacks for Lots #13 and #14, Elkhorn Village Unit #3, Broderick, in the Single Family Residential (R-1) Zone.

Assessor's Parcel No. 14-258-16

Zone File #2721

The Planning Commission has determined that:

1. The project described is one that would ordinarily be expected to have a significant effect on the environment, and
2. The project will have no significant adverse effect on the environment due to circumstances peculiar to the specific project.

An Environmental Impact Report will not be required.

Said determination was made at a Public Hearing held on 8-3-77 in compliance with the California Environmental Quality Act and Title 10 of the Yolo County Code. Appeals from this determination may be made within fifteen (15) days of said action by filing a letter of appeal with the Clerk of the Board of Supervisors as prescribed for appeals from decisions of the Board of Zoning Adjustment.

Assessor's Parcel No. 14-258-16

G. W. Williams-American Homes Co.

NOTE: Date of Hearing - August 3, 1977

This applicant requests a variance to establish 5 foot sideyard and 20 foot rearward setback for two lots in Unit #3, lots #13 and #14, in Elkhorn Village in Broderick. Subject sites are located at 905 and 913 Fremont Street and is located in an area zoned Single Family Residential (R-1) and is designated on the General Plan for Low Density Residential.

The subject site is the previous location of the community swimming pool which has been dismantled and the lot filled and graded. The applicant proposes to sell the lots to someone who will develop them.

Although this project might normally have significance, the staff determined that a Negative Declaration would be appropriate for the following reasons:

1. The project is consistent with zoning and General Plan designation as the project is residential in nature.
2. The two parcels are the only parcels not developed and the project would not significantly change the environmental quality of the surrounding neighborhood.

 setback, 5 ft. side setbacks

RESOLUTION NO. 78-38

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF YOLO ESTABLISHING GUIDELINES AND GENERAL POLICY WITH RELATION TO INSURANCE REQUIREMENTS FOR ACTIVITIES CONDUCTED UPON COUNTY PROPERTY.

WHEREAS, the public convenience and necessity under certain circumstances necessitates the allowance of the conduct of private activities upon County property, and

WHEREAS, such activities create potential legal liability on the part of the County for injury or damage to third persons and property, and

WHEREAS, the best means of protecting the County against such liability is through requiring the sponsors of such private activities to provide the County with adequate insurance as to such liabilities as a condition precedent to permission to use County property, and

WHEREAS, it is the intent of the Board of Supervisors to establish guidelines as to such insurance which provide reasonably adequate protection for the County and yet do not operate arbitrarily or unreasonably as between various sponsors.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Yolo that the following shall be the general policy of the County as to insurance requirements for activities conducted upon County property, which requirements must be met as a condition precedent to permission for use of County property for activities sponsored by persons other than the County, and shall be general guidelines as to such requirements.

1. General Policy. It is the basic intent of the County Board of Supervisors that sponsors of activities on County property shall provide reasonably adequate insurance to protect the County's potential liabilities to third persons in all cases. It is recognized many circumstances need to be considered and taken into account when setting requirements as to any particular activity, and that requirements for one activity may be different than for another activity due to different circumstances. Consequently, the guidelines established herein are guidelines only, and may be modified on a showing to the Board of Supervisors by the proponent of substantial

1 justification that such modification is necessary in the circumstances of any
2 particular activity.

3 2. Guidelines - Policy Amounts.

4 a. Hazardous Activities - Any activity which carries with
5 it a potential legal liability for the County greater, in
6 the Board of Supervisors judgment, than average.

7 (1) Liability Coverage - A minimum of \$1,000,000 combined
8 single limit for bodily injury liability and
9 property damage liability.

10 b. Non-Hazardous Activities - Any activity not a hazardous
11 activity in the Board of Supervisors judgment.

12 (1) Bodily Injury Liability Coverage - Minimum of
13 \$100,000 per person and \$300,000 per occurrence
14 bodily injury liability.

15 (2) Property Damage Liability Coverage - Minimum of
16 \$100,000 property damage liability.

17 3. Guidelines - Additional Considerations.

18 a. The County Counsel shall review all proposed contracts
19 for compliance with these guidelines and shall, in
20 consultation with the County's insurance carrier, render
21 an opinion as to the general category (Hazardous or
22 Non-Hazardous) into which the contract activity would
23 fall.

24 b. In the absence of clear insurance information or actuarial
25 tables establishing the degree of risk involved in a
26 particular activity, the following factors will be con-
27 sidered in making a recommendation:

28 (1) Worker's Compensation Insurance Rating Bureau rates
29 for activities to be conducted under the contract.

30 (2) The degree of direct participation in and/or risk
31 to the general public for activities to be conducted
32 under the contract.

(3) Any activity in which the public in general is invited to participate which has a Worker's Compensation Rating of \$10 per \$100 of employee's salary or greater shall be presumed to be hazardous.

- c. The policy shall be underwritten by an insurance carrier admitted as such in California by the California Insurance Commissioner.
- d. The terms of the policy shall not be excessively exclusive of risks.
- e. The coverage provided by the policy shall be reasonably clear and unambiguous so as not to unreasonably increase the likelihood of litigation to clarify its meaning.
- f. The policy shall expressly name the County as an additional insured.
- g. The policy shall provide at least ten days notice to the County of cancellation.
- h. A proper certification of insurance and copy of the entire policy attesting to compliance with the County's insurance requirements shall be on file with the County before such requirements shall be deemed to be met.

PASSED, APPROVED, AND ADOPTED this 7th day of March, 1978, by the following vote:

NEGATIVE DECLARATION

OF ENVIRONMENTAL SIGNIFICANCE

Vo. 78-6

LAURENCE P. HENIGAN, Clerk

By Balanced Rodgers
Deputy

The Yolo County Planning Commission has reviewed all available information on the environmental effect of the project described as request for tentative parcel map to allow the division of an existing 2.79 acre parcel into six residential building sites located on the southeast corner of the intersection of County Club Drive and Clubhouse Drive, adjacent to the El Macero Country Club southeast of Davis, in the Residential One-Family (R-1) Zone.
Assessor's Parcel No. 33-250-03
Tentative Parcel Map #2750

The Planning Commission has determined that:

1. The project described is one that would ordinarily be expected to have a significant effect on the environment, and
2. The project will have no significant adverse effect on the environment due to circumstances peculiar to the specific project.

An Environmental Impact Report will not be required.

Said determination was made at a Public Hearing held on 1-11-78 in compliance with the California Environmental Quality Act and Title 10 of the Yolo County Code. Appeals from this determination may be made within fifteen (15) days of said action by filing a letter of appeal with the Clerk of the Board of Supervisors as prescribed for appeals from decisions of the Board of Zoning Adjustment.

Negative Declaration
Tentative Subdivision Map No. 2750
Mace Properties, Inc.-Owner
N-K Engineers, Applicant
Assessor's Parcel No. 33-250-03
HEARING DATE: January 4, 1978

This application involves a request to subdivide an existing 2.79 acre parcel to create six additional homesites in El Macero. Subject site is located in the Residential One-Family (R-1) Zone on the southeast corner of the intersection of Country Club Drive and Clubhouse Drive, adjacent to the El Macero Country Club parking lot. Originally this land was going to be used for a parking lot if or when the El Macero Country Club ever needed any additional parking spaces. According to William C. Lynch, President of the El Macero Board of Directors, the Board is no longer interested in expanding a parking lot onto the 2.74 acres.

Although this project might normally have significance, due to the information provided by the applicant, the staff determined a Negative Declaration was appropriate for the following reasons:

1. The proposed project is consistent with the General Plan and R-1 Zoning;
2. The proposed project will not degrade the environment as it is consistent with the existing residential nature of the area;
3. The El Macero Board of Directors no longer needs the land for a parking lot at the Country Club.

5. PROJECT NARRATIVE

In the second year of this grant project, the Yolo County Sexual Assault Center through this project entitled, "Counseling Center for Victims of Rape and Their Families" will continue to address two main issues:

reducing the stress and anxiety experienced
by victims of forcible rape

reducing the incidence of rape in Yolo County.

This second year of the grant project will encompass the time period of July 1, 1979 to June 30, 1980.

The focus of the project will be on Yolo County. The reason why this project is being undertaken is to respond to the dual need of a rural county in terms of providing counseling to rape victims and in reporting rape to law enforcement, prosecuting and convicting the perpetrators of this crime. In a rural area, victims of forcible rape are less likely to identify themselves as victims for purposes of counseling, reporting, or prosecution due to lack of exposure to the issues surrounding rape and the fear of public scrutiny.

The needs of the rape victim will be met through:

- a. providing three 24-hour crisis lines to the three major population areas of Yolo County, i.e. Davis, Woodland, and East Yolo
- b. staffing the crisis lines on a 24-hour basis by trained counselors

The second goal of increasing the reporting, prosecution and conviction rate of persons arrested for forcible rape will be met through:

- a. accompaniment, supportive, and informational services to victims to rape to law enforcement, District Attorney, and court proceedings
- b. community education and self-defense classes which will underscore the value of reporting the crime of rape.

The persons and group involved in this project are: the Board of Directors of the Yolo County Sexual Assault Center; the Project Director, Marilyn Strachan; the Administrative Assistant, Kat Pomfret; a Training Coordinator and Community Liaison Coordinator; and a staff of a minimum of 40 volunteer-counselors.

The results which the Center expects to achieve are to preserve the emotional well-being of victims of forcible rape through crisis, on-going, and family counseling and to reduce the incidence of rape in Yolo County by holding those persons responsible for the crime accountable through reporting the crime to law enforcement agencies and by increasing the prosecution and conviction rates through providing accompaniment and support services to victims. The Center also anticipates having an impact on conviction rates through the community education classes which it provides on the issues surrounding rape.

6. PROBLEM STATEMENT

The problem in Yolo County is six-fold: 1) the need for counseling for victims of forcible rape due to the stress and anxiety which they experience 2) the under-reporting of forcible rape in Yolo County 3) the lack of understanding of the nature of rape and the issues surrounding it in Yolo County 4) the need to make more Yolo County residents aware of the existence of the Center and the services which it provides 5) the moderate rate of prosecution of cases due to the high rate of dismissals caused, in large part to lack of victim cooperation 6) the moderate rate of conviction of forcible rape cases due to high dismissal rates caused by lack of victim cooperation and due to lack of knowledge on the part of jurors on the issues surrounding rape

7. PROJECT OBJECTIVES

Goal I: To preserve the emotional well-being of persons victimized by forcible rape.

Impact Objective: Reduction of stress and traumatic effects experienced by victims of forcible rape

Process Objective: Provide crisis, on-going, and family counseling to victims of forcible rape

Outcome Objective No. 1: Whereas 57 persons received telephone crisis counseling from the SAC during 1978-1979 grant year; in the second year of this grant project, 68 persons will receive telephone crisis counseling. This represents an increase of 20%.

Outcome Objective No. 2: Whereas 7 persons who contacted SAC through means other than the telephone crisis lines received crisis counseling in 1977 from SAC during 1978-1979 grant year; in the second year of this grant project, 9 persons will receive crisis counseling who contact the Center through other means. This represents an increase of 30%.

Outcome Objective No. 3: Whereas 13 persons who received telephone crisis counseling from SAC during the 1978-1979 grant year went on to receive on-going telephone counseling; in the second year of this grant project, 16 persons will receive on-going telephone counseling. This represents an increase of 30%.

Outcome Objective No. 4: Whereas 31 persons who received telephone or in-person crisis counseling went on to receive in-person on-going counseling during the 1978-1979 grant year; in the second year of this grant project, 40 persons will receive in-person on-going counseling. This represents an increase of 30%.

Outcome Objective No. 5: Whereas 3 persons received counseling for family members during the 1978-1979 grant year, in the second year of this grant project, 4 persons will receive counseling for family members. This represents an increase of 30%.

Goal II: To reduce the incidence of rape in Yolo County by holding those persons responsible for the crime accountable for their actions.

Impact Objective A: Increase the rate of reporting forcible rape to law enforcement agencies.

Process Objective: Provide accompaniment and supportive services to victims in order to encourage them to report forcible rape.

Provide educational programs in Yolo County which will underscore the value of reporting the crime of forcible rape.

Outcome Objective No. 1: Whereas 31 persons who received counseling from SAC during the 1978-1979 grant year; in the second year of this grant project, 40 persons will file charges of forcible rape. This represents an increase of 30%.

Outcome Objective No. 2: Whereas 3 persons who received counseling from SAC during the 1978-1979 grant year went to law enforcement agencies to report the crime of forcible rape, but did not file charges; in the second year of this grant project, 4 persons will report the incidence of the crime. This represents an increase of 30%.

Outcome Objective No. 3: Whereas 1200 persons in Yolo County attended 42 community programs during the 1978-1979 grant year; in the second year of this grant project, 46 community education programs will be given with an anticipated attendance of 1,300. This represents an 8% increase in attendance and a 10% increase in the number of programs given.

Outcome Objective No. 4: Whereas 2,450 persons in Yolo County attended 66 self-defense presentations sponsored during the 1978-1979 grant year; in the second year of this grant project, 72 self-defense programs will be given with an anticipated attendance of 2,597. This represents a 10% increase in the number of programs and a 6% increase in the number in attendance.

Impact Objective B: Increase the rate of prosecution of forcible rape cases in Yolo County.

Process Objectives: Provide accompaniment, supportive, and informational services to victims of forcible rape in Yolo County.

Outcome Objective No. 1: Whereas 50% of the dismissals of forcible rape cases were caused by lack of cooperation by the victims during the 1978-1979 grant year; in the second year of this grant project, this rate will be reduced to 40% of those cases dismissed.

Outcome Objective No. 2: Whereas 9 persons, or 30% of those persons receiving on-going counseling during the 1978-1979 grant year decided to prosecute their cases; in the second year of this grant project, 11 persons will go to the District Attorneys Office and indicate their desire to prosecute. This represents an increase of 30%.

Impact Objective C: Increase the rate of conviction of cases of forcible rape.

Process Objective: Provide accompaniment, supportive and informational services to victims of forcible rape.

Outcome Objective No. 1: Whereas during the 1978-1979 grant year the conviction rate of cases in which the SAC provided accompaniment and supportive services resulted in a 50% conviction rate; during the second year of this grant project, the conviction rate of cases in which the SAC provides accompaniment and supportive services will increase to 60%.

8. METHODOLOGY

The methods used for achieving the outcome objectives of this project will be:

- a. provision of three 24-hour crisis lines staffed by trained volunteer-counselors
- b. provision of crisis, on-going, and family counseling to victims of forcible rape
- c. provision of accompaniment, supportive, and informational services to victims of forcible rape who are considering filing charges with law enforcement agencies
- d. provision of accompaniment, supportive and informational services to victims of forcible rape who wish to prosecute their cases
- e. training a minimum staff of 40 volunteer-counselors in order to prepare them for the above-described tasks
- f. provision of community education programs and self-defense classes which will contribute to the knowledge of the issues surrounding rape and which will underscore the value of reporting rape
- g. provide special community education programs specifically geared to the Mexican American community
- h. develop extensive public information campaign through television, radio, newspaper, brochures, posters, public presentations and seminars

9. PAST PROGRESS

In 1977, during which time the Sexual Assault Center was funded locally through revenue sharing funds, 49 persons received counseling from the agency.

In 1977, the reporting of forcible rape increased by 141.9% over the previous year due to the inception of the Center's crisis lines and community education programs. That is, in 1976, 46 cases of forcible rape were reported to law enforcement and in 1977, reports of forcible rape to the Sexual Assault Center and to law enforcement agencies went up to 89.

In 1977, 35 community education classes were given and attended by 998 persons.

In 1977, 55 self-defense classes were given attended by 2,037 persons.

In the first 15 months of operation from September, 1976 to December, 1977, the Sexual Assault Center's primary focus was to set itself up and establish itself. Therefore, although accompaniment services were provided to the District interviews and court proceedings, the rate of prosecution and conviction has been a secondary consideration due to the tasks needed to be undertaken merely to establish the Center. Therefore, at this time we cannot make a statement of the impact we had on the prosecution and conviction rates during 1977.

10. FUNDING PLANS

Continued funding will be pursued with the County of Yolo, the City of Davis, the City of Woodland, the City of Winters, and United Way.

CATIVE DECLARATION
OF ENVIRONMENTAL SIGNIFICANCE

No. 77-69

The Yolo County Planning Commission has reviewed all available information on the environmental effect of the project described as request for use permit to create a 5.3 acre parcel from Sacramento Northern right-of-way to establish a residential building site containing two packing sheds, located one-half mile east of the intersection of Jefferson Boulevard and Central Avenue, west of Clarksburg, in the Agricultural General Zone.

Assessor's Parcel No. SBE 862-57-8B-2

Zone File #2727

The Planning Commission has determined that:

1. The project described is one that would ordinarily be expected to have a significant effect on the environment, and
2. The project will have no significant adverse effect on the environment due to circumstances peculiar to the specific project.

An Environmental Impact Report will not be required.

Said determination was made at a Public Hearing held on August 17, 1977 in compliance with the California Environmental Quality Act and Title 10 of the Yolo County Code. Appeals from this determination may be made within fifteen (15) days of said action by filing a letter of appeal with the Clerk of the Board of Supervisors as prescribed for appeals from decisions of the Board of Zoning Adjustment.

Tentative Parcel Map #2720
HEARING DATE: August 17, 1977

The applicant proposes to create a 5.3 acre parcel containing two packing sheds, from Sacramento Northern right-of-way in the Agricultural General (A-1) Zone, one-half mile east of the intersection of Jefferson Boulevard and Central Avenue, west of the Town of Clarksburg. The applicants also intend to place a single-family dwelling on the north end of the proposed parcel.

Although this proposal could under certain circumstances have a significant adverse environmental impact requiring an EIR, staff believes a Negative Declaration is appropriate in this case for the following reasons:

1. The structures currently exist in a railroad right-of-way an area not cultivated.
2. The proposed split would reflect existing land use characteristics and would follow manmade physical features.

12 loss of or damage to existing crops located upon the premises
13 so retaken, and title to said crops shall vest in LANDLORD.
14 In the event the parties hereto disagree or dispute the

30 will require the payment of any sum of money, or is compelled
31 to incur any expense, the sum or sums so paid by LANDLORD
32 with all interest, costs and damages shall be deemed to be

1 additional rent under this lease and shall be due from
2 TENANT to LANDLORD on the first day of the month following
3 the incurring of such expenses.

4 16. CONDITIONAL LIMITATIONS.

5 Each term and each provision of this lease performable by

NEGATIVE DECLARATION
OF ENVIRONMENTAL SIGNIFICANCE

77-12

The Yolo County Planning Commission has reviewed all available information on the environmental effect of the project described as request for tentative parcel map to divide a 1,270.8 acre parcel into two 635.4 acre parcels located in the Yolo By-Pass northeast of Woodland in the Agricultural General (A-1) Zone. Subject property is designated as Assessor's Parcel Nos. 57-020-02, 03, 04, and 05; 57-060-01 and 06; and 57-070-01.

Tentative Parcel Map #2644

The Planning Commission has determined that:

1. The project described is one that would ordinarily be expected to have a significant effect on the environment, and
2. The project will have no significant adverse effect on the environment due to circumstances peculiar to the specific project.

An Environmental Impact Report will not be required.

Said determination was made at a Public Hearing held on February 2, 1977 in compliance with the California Environmental Quality Act and Title 10 of the Yolo County Code. Appeals from this determination may be made within fifteen (15) days of said action by filing a letter of appeal with the Clerk of the Board of Supervisors as prescribed for appeals from decisions of the Board of Zoning Adjustment.

57-07-01; 57-06-01; 57-06-06; 57-02-05

This application involves the division of an existing 1270.8 acre parcel in the Yolo Bypass northeast of Woodland into two 635.4 acre parcels for financing purposes. The land division plat is to be used as a tentative map for a parcel map.

Current zoning on the proposed parcels is Agricultural General (A-1).

Parcel A contains one existing irrigation and one domestic water well while Parcel B is without any existing wells. County Road 16 traverses both proposed parcels.

Although this proposed split could conceivably have significant adverse environmental impact, staff believes a negative declaration is appropriate for the following reasons:

1. The parcels created are both relatively large and are not believed to represent any major limitations to mechanized farming techniques.
2. The division will facilitate the improvement of both parcels for more intensive agricultural production through land leveling.
3. Because both proposed parcels are within the Yolo Bypass the likelihood of further division and proliferation of building sites is minimized due to flood hazards.

SUBDIVISION IMPROVEMENT AGREEMENT
Subdivision No. 2155

FILED

MAY 31 1978

LAURENCE P. HENIGAN, Clerk

By *Paula Rodriguez*
Deputy

THIS AGREEMENT is made and entered in this 23rd day
of May, 1978, by and between Forest Taylor,
Carroll Brock, and Ramco Oil Co., Inc.

hereinafter referred to as "Subdivider", and the County of
Yolo, hereinafter referred to as "County".

WHEREAS, it is the intent of the parties hereto that
the Subdivider assumes the obligations of paragraph 17 of
Agreement No. 72-231 dttd September 11, 1972; and

WHEREAS, the Subdivider proposes to subdivide and
develop that area known and referred to as a portion of
Subdivision 2155 and properties to the West of Subdivision 2155,
and promises to present plans and specifications for the development
of intersection improvements as hereinafter set forth.

NOW THEREFORE, the parties agree as follows:

1. The Subdivider will, as further development occurs
within Subdivision No. 2155 or resubdivision thereof and to the
west of Subdivision 2155, install channelization and traffic
signals, when warranted, at the intersection of Jefferson
Boulevard and Linden Road. The Subdivider agrees to develop and
construct (at no cost to County or State) as a part of further
Subdivision development, channelization and traffic signals
subject to State and County approval.

It is agreed that such construction and installation
will not be required until such time as at least one of the
warrants is met as given in the latest "Manual on Uniform
Traffic Control Devices for Streets and Highways" as published
by the Bureau of Public Roads and shall be completed within
twenty-four months of the date hereof or twelve months following
the determination by County that at least one of said warrants
has been met, whichever is later.

All such intersection improvements shall be in accordance with plans and specifications to be prepared in conformance with Yolo County Improvement Standards and Specifications and approved by Department of Public Works or such other standards acceptable to the County of Yolo and shall be timely completed in a good and workmanlike manner. Subdivider shall, upon completion, relinquish said improvements to the agency of jurisdiction as agreed upon herein.

2. Subdivider shall indemnify and hold harmless the County from any and all loss, damage, or liability resulting from Subdivider's performance or non-performance of his duties under this Agreement, or from negligence of himself or his agents, servants, and employees, and all action or causes of action filed by any person or persons claiming damage caused by the development of those intersection improvements herein described and installed.

3. Subdivider will furnish County evidence acceptable to County of insurance insuring County against claims for personal liability and property damage arising in the course of construction of improvements required herein in the sum of \$100,000 in respect to personal injuries and/or death of any one person, \$300,000 in respect to personal injuries or death for any one occurrence, and \$50,000 in respect to property damage in any one occurrence.

4. Subdivider shall notify the Director of Public Works of the commencement of the work of intersection improvements.

5. The completion of these intersection improvements shall be the date as of which the Board of Supervisors shall, by resolution duly passed and adopted, accept said improvements according to said plans and specifications, as modified, if such modification is required under the terms hereof, and the Subdivider is notified thereof in writing. Neither passage of said resolution hereinabove referred to, nor periodic or progress inspection or approval shall bind the County to accept said improvements or waive any defect in the same or any breach of this agreement. Acceptance of any part or state of said

improvement shall not be final until the written notice of final acceptance of all the intersection improvements shall have been delivered to the Subdivider as required herein.

6. That the Subdivider agrees to remedy any defects in the intersection improvements arising from faulty or defective construction of said improvements occurring within twelve months after acceptance thereof.

7. If the construction should be delayed without fault of Subdivider, the time for the completion thereof may be extended by the County for such period of time as the County may deem reasonable.

8. Should the Subdivider fail to construct said intersection improvements, repairs or corrective work within the time or times specified in this Agreement, the County may, at its option, complete the same and recover the cost thereof from the Subdivider or his surety.

9. Subdivider shall obtain and file with the County a good and sufficient "Improvement Security" in favor of the County of Yolo and in a form approved by the County pursuant to Sections 66499, et. seq., of the Government Code. The amount of such "Improvement Security" shall not be less than 100% of the estimated cost of the public improvements including the incidentals.

10. It is mutually understood and agreed that when the work of improvement is accepted as defined herein, 15% or \$500.00, whichever is greater, of the "Improvement Security" shall be retained by the County to guarantee the faithful performance of the provisions of Paragraph 6 of this Agreement.

Where title to the subdivided property is held by the record owner thereof under a holding agreement, this Agreement and the "Improvement Security" given pursuant thereto may be executed by the real party or parties in interest.

11. Any extension of time hereunder shall not operate to release the surety on the "Improvement Security" filed pursuant to this Agreement. In this connection, the surety waives the provisions of Section 2819 of the Civil Code of the State of California.

12. Time is of the essence of each and all of the provisions of this Agreement, and the provisions of this Agreement shall extend to and be binding upon and inure to the benefit of the heirs, executors, administrators, successors, and assigns of the respective parties hereto.

Probation Department

Community Resources Coordinator - .625 full time equivalent position

1 NOW, THEREFORE, BE IT HEREBY ORDERED, RESOLVED, AND FOUND
2 that:

3 A. Each and all of the foregoing recitals are true and correct.

4 B. The Board hereby adopts findings of fact as follows:

5 1. On May 9, 1978, the Board of Supervisors of the County
6 of Yolo adopted the 1978-79 recommended budget as the 1978-79
7 proposed budget including the recommendation to delete positions
8 and ordering layoff of employees because of lack of work caused
9 by reduction in positions.

10 2. The positions deleted for which a layoff has been ordered
11 by department and classification is as follows:

12 Health Department

13 Assistant Director of Public Health-Nursing - 1 full time
14 position

16 Mental Health Counselor I - 1.1 full time equivalent position

16 Probation Department

17 Community Resources Coordinator - .625 full time equivalent

18 3. The least senior employees occupying positions in the
19 above-named classes by department are as follows:

20 Health Department

21 Assistant Director of Public Health Nursing - Charlene Kuhnz
22 Account Clerk I/II - Jennifer Hatzfield
23 Mental Health Counselor I - Dean Dickerson and Pat Donlon

23 Probation Department

24 Community Resources Coordinator - Donna Lott

25 4. The determination of employees to be laid off was made
26 in inverse order of seniority among employees in said classification

1 by department. They were made in the following order:

- 2 (a) Extra Help
3 (b) Provisional
4 (c) Limited Term
5 (d) Probationary
6 (e) Permanent part-time
7 (f) Permanent full-time

8 5. Each employee to be laid off was given written notice
9 of layoff by the County at least 40 calendar days in advance of
10 the effective date of such layoff. The notice of layoff included
11 the following information: Reason for layoff, effective date of
12 layoff, notice of displacement rights, and an employee's rights
13 relating to layoff.

14 6. The following employees requested a hearing:

15 Charlene Kuhn

24 hearing.

25 9. Any employees who failed to request a hearing waived
26 their right to a hearing.

27 10. The following employees requested displacement action
28 in writing.

7 tion unit of the County of Yolo represented by the Yolo County
8 Government Employees Association.

9 14. Employees Patti Donlon and Dean Dickerson asserted that
10 their layoff was rescinded. The Board finds that the County
11 Administrative Officer made a recommendation for reinstatement
12 of program including these positions; that the Board of Supervisors
13 has taken no action on said recommendation; and that layoff
14 procedures have not been rescinded.

15 15. The Board finds that the determination of employees to
16 be laid off is by classification by department in the following
17 order within each classification:

- 18 (a) Extra Help
19 (b) Provisional
20 (c) Limited Term
(d) Probationary
(e) Permanent part-time
(f) Permanent full-time

21 Employees within each of the above categories within each
22 classification in each department are to be laid off in inverse

24 iating the Memorandum of Understanding governing this layoff.

25 C. The Board hereby made the following conclusions:

3 Memorandum of Understanding between the County of Yolo and the
4 Yolo County Government Employees Association, Yolo County Agreement
5 No. 77-254.

6 3. The procedure followed by the County of Yolo complied
7 with said Memorandum of Understanding.

8 4. The method of computing the seniority of employees was
9 proper and done in accordance with the Memorandum of Understanding.

18 Jennifer Hatzfield
19 Donna Lott

20 2. It is hereby ordered that Charlene Kuhnz is laid off
21 from the position of Assistant Director of Public Health Nursing
22 in the Health Department effective June 30, 1978, and that she
23 be employed in the position of Supervising Public Health Nurse
24 in the Health Department effective July 1, 1978.

25 3. The Director of Personnel Services is hereby instructed
26 to notify those employees listed above of said action in accordance

1 with Section 20.6 of the Memorandum of Understanding between the
2 County of Yolo and the Yolo County Government Employees Association
3 by placing a copy of these findings, conclusions, and order in a
4 sealed envelope and mailing by first class mail, postage prepaid,

RESOLUTION NO. 78-102

RESOLUTION ADOPTING BY-LAWS FOR

YOLO GENERAL HOSPITAL

FILED

JUL 10 1978

LAURENCE P. HENIGAN, Clerk

By Pat E. Lucas
Deputy

IT IS HEREBY RESOLVED that the following be and they are
hereby adopted as the By-Laws of YOLO GENERAL HOSPITAL:

YOLO GENERAL HOSPITAL

BY-LAWS

ARTICLE I

Hospital Purpose

The citizens of Yolo County through its elected supervisors, as made possible under the laws of the State of California, have established Yolo General Hospital as a public institution having broad responsibilities to establish, conduct, maintain, operate and provide such medical services in a hospital as may otherwise be authorized to those persons residing within the general service area described by the boundaries of Yolo County. At this time, and subject to changing conditions, a need exists for three levels of in-patient care: acute, extended care and skilled nursing, in addition to furnish facilities for medical emergency rooms, clinics, laboratories, pharmacies, and other general practice and specialty clinics to be used in connection with the care and treatment of persons who are ill or injured. It is the purpose of Yolo General Hospital to provide a high standard of medical care and treatment to all in need of hospitalization. The hospital shall provide compassionate and scientific care and health

education for the purpose of extending life, alleviating suffering and for improving the general health of the community. The hospital shall be progressive in its policies and its efforts to maintain up-to-date equipment, methods and standards of performance.

ARTICLE II

Governing Board

1. Membership: The governing board of Yolo General Hospital shall be the five county supervisors each elected for four year terms in accordance with the laws of the State of California and the ordinances of Yolo County. The names and addresses of the supervisors are available at the office of the County Clerk, Yolo County. Vacancies on the board shall be filled as prescribed by law.

2. Powers: The governing power of the Yolo General Hospital shall be vested in the Board of Supervisors which shall, by law, have charge, control, and management of the property, affairs, and funds of said hospital.

ARTICLE III

Meeting of the Governing Board

1. The governing board shall hold regular quarterly meetings the first Tuesday of the months of January, April, July and October unless those dates occur on a holiday, in which case the governing board shall select another appropriate date during that month for the meeting. In addition to above dates, the Governing Board may discuss hospital matters during its weekly meetings as County Board of Supervisors acting as the Governing Board of Yolo General Hospital. The meeting place shall be the Yolo County Courthouse or at such other place as may be designated by the Board. Three supervisors shall constitute a quorum, and the Administrator of the Hospital shall appear

at all such meetings on matters involving Yolo General Hospital. The Hospital Chief of Staff, elected by the Medical Staff, is entitled to attend. Minutes of the meetings of the Governing Board shall be recorded by appropriate means.

ARTICLE IV

Officers of the Governing Board

1. The Chairman of the Governing Board for Yolo General Hospital shall be the duly elected Chairman of the Yolo County Board of Supervisors.

ARTICLE V

Committees of the Governing Board

1. At its option the Governing Board may serve as a committee of the whole or appoint an appropriate subcommittee to consider any matters pertaining to Yolo General Hospital, to include planning, budget and medical staff. The Governing Board shall also serve as a Joint Conference Committee which shall meet at least quarterly with members of the Medical Staff and the Hospital Administrator at the Hospital. The Joint Conference Committee shall provide a formal means of liaison among the Medical Staff, the Governing Board and the Administrator to function as a channel for the discussion and resolution of medico-administrative matters. Minutes of these meetings shall be appropriately recorded and maintained, and to serve as an over-all planning committee for: (1) establishing, updating and reviewing the areas of need in the hospital; (2) establishing, updating and reviewing general goals and objectives for the hospital.

ARTICLE VI

Contractual Relationships - Medico-Administrative

In fulfilling its responsibilities, the Governing Board retains the right to enter into any contract with any physicians, or other persons as they may deem necessary, for the medico-administrative management and/or

delivery of health services at Yolo General Hospital under such terms and conditions as may be mutually agreed. In the case of physicians, dentists and other health professionals, this shall be subject to their maintaining a current California license and seeking, by the same procedure provided other staff members as outlined in the Medical Staff By-Laws, Rules and Regulations, membership in the medical staff of Yolo General Hospital, if applicable. Membership in good standing must be maintained throughout the contract period. Termination of the contract shall not effect the physician's medical staff membership unless the contract termination is made as a result of loss of medical staff privileges, in which case the physician involved has all the rights of due process as provided other medical staff members in Section 6 of the Medical Staff By-Laws. At this time, and subject to such changes as may be necessary a requirement exists for contractual relations with a Medical Director, a radiologist, a pathologist, a group of Emergency Room physicians, and other health professionals.

ARTICLE VII

Delegation of Powers

No assignment, referral, or delegation of authority by the Governing Board to Hospital management, the Medical Staff, or anyone else shall preclude the governing body from exercising the authority to meet its responsibility for the conduct of the hospital. The Governing Board shall retain the right to rescind such delegation.

ARTICLE VIII

Allocation of Resources

As determined by the Governing Board, the Governing Board shall provide the necessary financial and physical resources and the personnel necessary to operate approved programs which meet the needs of patients as well as those of the community.

ARTICLE IX

The Hospital Administrator shall have a continuing working relationship with the County Administrator Officer, who shall be charged and be responsible for the administrative supervision of all appointed county department heads. The Administrator shall act as a duly authorized representative of the Governing Board in all matters in which the Board has not formerly designated some other person to so act in hospital matters.

3. Medical Director - Medico-Administrative Duties: The Governing Board shall contract with a qualified physician, who shall be an employee of the county of Yolo and shall be a member of the medical staff of Yolo General Hospital. Membership in the medical staff at Yolo General Hospital shall be achieved by the same procedure provided other medical staff members as outlined in the medical staff Bylaws, Rules and Regulations. Membership in the Yolo General Hospital medical staff shall not be contingent on continued employment as Medical Director. 6. PROJECT NARRATIVE

A. Statement of County's Crime Problem

Yolo County has a population of 106,000 persons.

- (1) Crime rate for seven major felony offenses: Attached hereto and incorporated herein by reference as Exhibit _____ are statistics compiled by the California Department of Justice, Bureau of Criminal Statistics for the year of 1977.¹ These statistics are for crime rates of the seven major felony offenses. These statistics represent the best known data to reflect the County's crime rate.

The statistics show an increase of 40.5% in crimes against persons and 17.7% in crimes against property from 1976 to 1977.

- (2) Annual Court and Prosecutor Caseloads: The criminal division of the Yolo County District Attorney consists of nine attorneys and a support staff of seven (clerical and investigative). Available attorneys to handle the adult criminal caseload consists of 6.5. Administration of the office requires the District Attorney's full time and one-half (50%) of the time of the Chief Deputy District Attorney. Additionally, one full time Deputy District Attorney is required for mandated juvenile appearances.

Adult Criminal filings have been filed and are hereby set out in the following table²:

B. Program Objectives

To give increased attention and priority to prosecution of career criminal offenders as defined in SB 683.

To obtain a plea of guilty or a trial conviction on the most serious offense alleged against an individual meeting career criminal selection criteria.

To obtain the most severe authorized sentence upon a person convicted after prosecution as a career criminal offender.

To reduce the time between arrest and disposition against an individual meeting career criminal selection criteria.

The program should: 1) effectively identify career criminal offenders as defined in SB 683; 2) effectively and speedily prosecute said persons; and, 3) result in more and longer prison sentences for said persons.

C. Statement of Work

- (1) How funds used: to fund an attorney to devote full time to prosecution of individuals falling within the career criminal selection criteria as defined by SB 683.

Analysis of the above statistics demonstrates the following:³ The average annual number of cases reviewed, filed upon and in which pre-trial appearances are made total 2597, this amounts to 400 per deputy district attorney per year. Of these cases, 85 went to jury trial, this amounts to 8.75 misdemeanor jury trials per deputy district attorney per year.

Felonies reviewed, filed upon and in which preliminary appearances were made average 537 yearly, or 83 per deputy district attorney per year. Preliminary hearings conducted average 121 per year or 19 per deputy district attorney per year. Filings in Superior Court average 222 per year or 34 per deputy district attorney per year. Superior Court jury trials average 27 per year or 4 per deputy district attorney per year.

- (3) Estimated number and percentage of total annual felony filings where defendant could be subject to career criminal prosecutions:

- a) Number of filings potentially falling under SB 683 = 50.
- b) Percentage of annual felony filings where defendant could be subject to career criminal prosecution:

fn. 3 - Based on 6.5 attorneys handling the adult criminal caseload.

(2) Screening Process and Criteria: All staff in the office will be provided with the career criminal selection criteria as defined by SB 683. Instructions will be given to refer all said cases to the career criminal unit for review for possible prosecution under SB 683 criteria objectives. In any case referred to the career criminal unit which is rejected for prosecution, a written statement of rejection will be required and must be approved by the District Attorney or Chief Deputy District Attorney. The case will then be referred to the regular adult criminal caseload.

The criteria to be used in selecting an individual for career criminal unit prosecution will be identical to the criteria specified in SB 683.

(3) How the program will be conducted:

a) Enhanced prosecution efforts:

- 1) There will be "vertical" prosecutorial representation whereby the career criminal unit prosecutor who makes the initial filing or appearance on a case selected for career criminal prosecution will perform all subsequent court appearances on that particular case through its conclusion, including the sentencing phase.
- 2) Career criminal unit cases will be assigned to the most experienced investigators and

and will be given priority.

- 3) The deputy district attorney in charge of the career criminal unit will handle only cases falling within SB 683. This should result in a reduced caseload for that person.

b) A career criminal is defined as an individual who is under arrest for the commission or attempted commission of one or more of the following felonies:

- i. Robbery
- ii. Burglary
- iii. Arson
- iv. Any unlawful act relating to controlled substances in violation of Section 11351 or 11352 of the Health and Safety Code
- v. Receiving Stolen Property
- vi. Grand Theft, and
- vii. Grand Theft Auto, and

Who is either being prosecuted for three or more separate offenses not arising out of the same transaction involving one or more of such felonies, or falls in at least one of the two categories that follow:

- 1) Has suffered at least one conviction during the preceding 10 years for any felony listed below:
 - a) Robbery by a person armed with a deadly or dangerous weapon
 - b) Burglary of the first degree
 - c) Arson as defined in Section 447a or 448a
 - d) Forcible rape
 - e) Sodomy or oral copulation committed with force
 - f) Lewd or lascivious conduct committed on a child
 - g) Kidnapping as defined in Section 209, or
 - h) Murder

- 2) Has suffered at least two convictions during the preceding 10 years for any felony listed below:
 - a) Grand Theft
 - b) Grand Theft Auto
 - c) Receiving stolen property
 - d) Robbery (other than that described in the paragraph above)
 - e) Burglary of the second degree
 - f) Kidnapping as defined in Section 207
 - g) Assault with a deadly weapon, or
 - h) Any unlawful act relating to controlled substances in violation of Section 11351 or 11352 of the Health and Safety Code.

For purposes of this program, the 10-year periods specified above shall be exclusive of any time which the arrested person has served in State prison.

D. Assurances

If this application is approved, the Yolo County District Attorney will comply with all applicable requirements set forth in Chapter 1151, commencing with Penal Code Section 999b.

E. Continuation Funding

After expiration of the grant period, the Yolo County District Attorney will apply to the Yolo County Board of Supervisors for additional funding.

F. Anticipated Impact on the Criminal Justice System.

It is anticipated that the program will require police investigators to take more time and investigative efforts in those cases selected for career criminal prosecution. Additionally, there will likely be an increase in Superior Court jury trials (although 9 of 27 jury trials, or 33%, in 1977 were potential career criminal cases).

G. Evaluation and Monitoring

- (1) A data form on each career criminal prosecuted will be completed. A written rejection by the career criminal unit will be required in all cases referred but not accepted for career criminal prosecution.
- (2) Quarterly Progress Reports will be submitted to OCJP; and,
- (3) The Yolo County District Attorney will participate in on-site monitoring visits by OCJP Staff to ensure contract compliance.

RESOLUTION NO. 78-109

(Resolution Amending Resolution No. 78-87 as Amended)

WHEREAS, the Board of Supervisors of the County of Yolo, by Resolution No. 78-87, found that the Jarvis-Gann initiative, a State Constitutional amendment, Proposition 13 on the June 6, 1978, ballot was approved by the voters on June 6, 1978, and said constitutional amendment places a limit on the taxing powers of the County of Yolo and said limit results in a reduction in the funds available to the County of Yolo to provide services and said reduction in funds creates a lack of funds for the County of Yolo to maintain existing services and to pay existing employees; and

WHEREAS, State funding through Senate Bill 154 has partially relieved a portion of the loss of funds; and

WHEREAS, The Board of Supervisors now finds that it is financially able to restore a portion of the services and positions eliminated by Resolution No. 78-87.

NOW, THEREFORE, BE IT RESOLVED, ORDERED AND FOUND as follows:

1. That each and all of the foregoing recitals are true and correct.
2. That because of lack of funds and lack of work the following positions, which were ordered eliminated by Resolution No. 78-87, as amended, shall be eliminated effective on the dates listed below and all other positions listed in Resolution No. 78-87 shall not be eliminated as set forth in that Resolution and action to

lay off employees in those positions not eliminated shall be dismissed.

LAURENCE P. HENIGAN, Clerk

Honorable Arthur H. Edmonds, Chairman
and Members of the Board of Supervisors

Subject: Senior Animal Control Officer By _____

Deputy

Dear Chairman Edmonds:

Minute Order 78-106 (5) dated February 14, 1978 provided that one Animal Control Officer I/II position be reclassified to a new classification called Senior Animal Control Officer on Range 21.5 (\$923-1123), and that the position be filled by promotional examination.

The Personnel Department and the Agricultural Commissioner had mutually agreed that the promotional examination to implement this reclassification would be held in July. This was not done due to the passage of Proposition 13 and the pending layoffs which were scheduled to occur. Included in the position reductions was the position of Chief, Animal Control Division. As a result of the State Aid Budget funds have been included for the position of Senior Animal Control Officer, and it is recommended that the incumbent of the Chief, Animal Control Division be appointed to this position.

The net effect of this recommendation is that one regular Animal Control Officer I/II will not have to be laid off (would have been displaced by the Chief, Animal Control Division) and, therefore, two CETA Animal Control Officers I/II would also not need to be laid off.

THEREFORE, it is recommended:

1. That the attached salary resolution for the Animal Control Division which establishes the classification of Senior Animal Control Officer on Range 21.5 (\$923-1123) be adopted.
2. That the classification of Senior Animal Control Officer be alternately staffed with the Chief, Animal Control Division.

3. That the classification of Chief, Animal Control Division shall terminate and cease to exist upon an appointment to the position of Senior Animal Control Officer.

Respectfully submitted,

RICHARD I. UCHIDA
Director of Personnel Services
